GENERAL PROVISIONS (APPLICANT To read and sign)

1. No work of any kind may start until permit is issued.
2. The permit may be revoked if any false statements are made herein.
3. If revoked, all work must cease until permit is re-issued.
4. Development shall not begin or occupied until a permit is issued.
5. The permit will expire if no work is commenced within six months of issuance.
6. To comply with the Rapides Parish Regulations and to minimize the potential flood damage, if you are proposing a development of a Pipeline or placement of a Well/Platform Location, you must agree to construct your proposed development in accordance with the Rapides Parish Flood Damage Prevention Ordinance.
7. All structures and pieces of equipment within the 1%/100 year Flood plain must be designed in a manner to reduce or eliminate flood damage, e.g. anchoring or elevated.
8. Applicant hereby gives consent to the Local Administrator or his/her representative to make reasonable inspections required to verify compliance.

I have read or had explained to me and understand the above special provisions for floodplain development. Authorization is hereby granted the permitting authority and their agents or designees, singularly or jointly, to enter upon the property described on the application during daylight hours for the purpose of making inspections or for any reason consistent with the issuing authority's floodplain management regulations. I further verify that the information provided by me on the application is true and accurate to the best of my knowledge and belief.

APPLICANT SIGNATURE

DATE

TO BE COMPLETED BY LOCAL PERMIT OFFICE:

Floodplain Determination

1. FIRM Panel No. _____ Dated _____

2. The proposed development:

Is not located in a Special Flood Hazard Area

Is partially located in the SFHA but the building or development is not

Is located in a SFHA: Flood Zone ____ Base Flood elevation _____

Base flood elevation is not available (See Section 4, contact applicant to discuss)

Is located in the floodway (Panel No. _____ Dated _____)

Permit Determination

The permit is _____ Approved _____ Denied (see reasons below) Permit # _____

Signed _____ Date _____

Reasons for denial:
