FLOODPLAIN DEVELOPMENT APPLICATION

Applicant's Agreement:

The undersigned agrees that the floodplain maps and other flood data used in evaluating the flood hazards to the proposed development are considered reasonable and accurate for regulatory purposes and are based on best available scientific and engineering data. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes.

The undersigned also agrees that all statements herein and in attachments to this application are true and accurate, to the best of their knowledge and all work shall be done in accordance with the Rapides Parish Flood Damage Prevention Ordinance and with all applicable federal, state, parish and city laws and regulations.
