1. Welcome and Introduction

2. Events since February Meeting

To begin the meeting we will open with a discussion of anything that has happened since our last meeting in December.

3. Creating a Virtual Presence

Over the past few months I have worked to create a webpage that shows the all pertinent information about transit providers including: contact info, physical address, type of services, and operation hours. I would like to take the time to go through all these and make sure our information is up to date and talk about ways to disseminate this webpage to reach as many people as possible.

4. Open Discussion

With the time left after this meeting, I'd like to give a chance for anyone to bring up and issues or suggestions - our next meeting will be in August - are there any ideas of what the group would like to discuss for that meeting

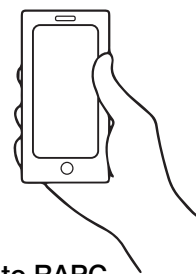

6. News & Updates

An opportunity to discuss any changes, projects, or anything of importance that was perhaps missed during the meeting.

7. Adjourn.
