SECTION I

Introduction

The Alexandria / Pineville Metropolitan Area is located within Central Louisiana. The majority of it is wholly within Rapides Parish, and it incorporates a small portion of southern Grant Parish adjacent to the northern portion of Rapides Parish after the 2010 census was released. The 2020 population for the metropolitan area is 107,278 with approximately 370 miles of streets, roads and highways that qualify for federal funding.

The Metropolitan Planning Organization (MPO) is responsible for fulfilling the federal and state transportation planning requirements specific to metropolitan and urbanized areas. These requirements have most recently been disseminated under the “Moving Ahead for Progress in the 21st Century Act” (MAP-21) and Fixing America's Surface Transportation Act (FAST Act).

The Rapides Area Planning Commission (RAPC) is the official designated MPO for Rapides Parish and is charged with all transportation planning activities (as mandated by MAP-21/FAST Act) along with developing a Financially Constrained Long Range Transportation Plan and the development of the Transportation Improvement Program (TIP), which is adopted and updated by official resolution no less than once every two years.

Transportation Improvement Program (TIP)

The TIP is a financially constrained four-year program outlining the most immediate implementation priorities for area transportation projects, carrying out the goals and vision of AP-MPO's long range transportation plan, the Metropolitan Transportation Plan (MTP). It serves to allocate limited financial resources among the various transportation needs of the community and to program the expenditure of federal, state, and local transportation funds. To receive federal highway or transit funds, a project must be included in the TIP.

The TIP is developed through a collaborative process in which each jurisdiction or federal recipient of transportation funds is given the opportunity to submit projects to be considered for placement in the TIP. No project can receive federal funds unless it appears in the TIP.

The projects listed on the TIP were developed directly from the Financially Constrained Long Range Transportation Plan and the preparation of this document and the subsequent development of the projects contained herein, is an attempt, in part, to accommodate present and future transportation needs within the Alexandria/ Pineville Metropolitan Area based on realistic funding levels.

Public Involvement & Document Distribution

The MPO aims to proactively engage the public in the transportation planning process and embraces federal requirements that MPOs provide the public with complete information, timely public notice, full public access to key decisions, and early and continuing involvement in developing the LRTP, TIP, and other products. Public involvement strategies include presenting information and educating the public, continually soliciting public input, helping information flow between the public and decision makers, and considering and responding to public concerns.

The Rapides Area Planning Commission had available for public review and comment twenty copies of the proposed FY 2023-2026 draft TIP at the following locations for a period of 14 days: Rapides Area Planning Commission, 803 Johnston St., Alexandria, La; City of Alexandria Engineering Department, 625 Murray St., Alexandria, La; Pineville City Hall, 910 Main St, Pineville, La; and six urban branches of the Rapides Parish Library.

RESOLUTION #RAPC-260204-02

(Adopting Amendment 8, FY 2023-2026 Transportation Improvement Program)

I, Mayor Jacques Roy, Chairman of the Metropolitan Planning Organization's Transportation Policy Committee, do hereby certify that at a meeting of Transportation Policy Committee duly convened in Alexandria, Louisiana, at 10:00 am on February 4th, 2026, the following Resolution was adopted:

WHEREAS, the Transportation Policy Committee is the decision-making body for the Alexandria/Pineville Metropolitan Planning Organization; has reviewed and approved Amendment 8 to the Transportation Improvement Program for FY 2023 - 2026; and,

WHEREAS, the Transportation Policy Committee has determined the requirements of the Urban Transportation Planning Process are being carried out utilizing the '3-C Planning Process' (continuous, comprehensive and coordinated); and,

WHEREAS, the Transportation Policy Committee has recommended amendment, approval, and adoption the Highway and Transit Element; and,

WHEREAS, the Transportation Policy Committee has recommended approval and adoption of said programs and processes to the Rapides Area Planning Commission; and,

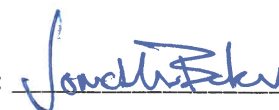

WHEREAS, the Transportation Policy Committee has directed the Metropolitan Planning Organization to make amendments and adjustments to the Transportation Improvement Program necessary to facilitate consistency with the State of Louisiana's Transportation Improvement Program; and,

NOW THEREFORE BE IT RESOLVED, that the Transportation Policy Committee does hereby approve the FY 2023 - 2026 Transportation Improvement Program, Amendment 8 and directs staff of the Rapides Area Planning Commission to submit said program to the appropriate federal and state agencies.

Signed and executed this 25th day of February 2026.

Mayor Jacques M. Roy,
Chairman, Transportation Policy Committee
Alexandria/Pineville MPO

RESOLUTION # 260715-01

(Adopting Amendment 10, FY 2023-2026 Transportation Improvement Program)

I, Mayor Jacques Roy, Chairman of the Alexandria/Pineville Metropolitan Planning Organization (APMPO) Transportation Policy Committee (TPC), do hereby certify that at a duly called meeting of the Transportation Policy Committee held in Alexandria, Louisiana, on Wednesday, July 15, 2026, at 10:00 a.m., the following resolution was adopted:

WHEREAS, the Transportation Policy Committee (TPC) is the policy-making body for the Alexandria/Pineville Metropolitan Planning Organization (APMPO) and is responsible for approving amendments to the Transportation Improvement Program (TIP); and,

WHEREAS, the Alexandria/Pineville Metropolitan Planning Organization has prepared Amendment No. 10 to the Federal Fiscal Year (FFY) 2023–2026 Transportation Improvement Program (TIP) in accordance with applicable federal transportation planning requirements; and,

WHEREAS, Amendment No. 10 revises the Highway Element of the FFY 2023–2026 Transportation Improvement Program by updating State Project H.016757 – RAPC Aerial Photography 2026, including removal of the Construction phase and associated funding, addition of a Feasibility phase funded with Surface Transportation Block Grant (STP50-200K) funds for FFY 2026, updating the project type to RAPC Aerial Photography, and updating the Control Section to 000-40, as requested by the Louisiana Department of Transportation and Development (DOTD); and,

WHEREAS, the proposed amendment was made available for public review and comment in accordance with the Alexandria/Pineville Metropolitan Planning Organization Public Participation Plan; and,

WHEREAS, the Transportation Policy Committee has determined that the metropolitan transportation planning process continues to be carried out in accordance with the federally required continuing, comprehensive, and cooperative ("3-C") transportation planning process; and,

NOW, THEREFORE, BE IT RESOLVED, that the Transportation Policy Committee hereby approves Amendment No. 10 to the Federal Fiscal Year 2023–2026 Transportation Improvement Program (TIP) and authorizes the Rapides Area Planning Commission staff to submit the approved amendment to the appropriate state and federal agencies for review and incorporation into the Louisiana Statewide Transportation Improvement Program (STIP), as applicable.

Signed and executed this 15 day of July 2026.

NOTE: The following major STP50-200K projects listed in the MPOs FFY2019-2022 Transportation Improvement Program were completed or on schedule to be completed prior to the effective date of the FFY2023-2026 TIP:

- H.013452 Horseshoe Drive Roadway Improvements (2019)
- H.012559 Industrial Park Site Road Rehabilitation (2020)
- H.972358 Metropolitan Transportation Plan 2020 Update (2020)
- H.013887 Rapides Avenue & Third Street Road Improvements (2021)
- H.014167 North 16th Bridge Replacement (2021)
- H.014536 College Drive Panel Replacement (2022)
- H.014311 Alex Bike/Ped Program (BPP) Implementation Phase I (2022)
- L.000062 Motorist Assistance Patrol (2019, 2020, 2021, 2022)

NOTE: The following major STP50-200K projects listed in the MPOs FFY2019-2022 Transportation Improvement Program were delayed and/or still underway by the effective date of the FFY2023-2026 TIP:

- H.972373 MPA Stormwater Study (2020)
- Reason: Limited DOTD FY funding resulting in MPO delaying execution of project timeline and limited scope. Recently resolved, project on schedule to be completed early 2023.

Alexandria Transit System (Atrans)

ATRANS is a 10 fleet system with an average fleet age of 5.5 years. Eight buses provide regular daily service along eight local fixed routes within the urbanized area. Seven of the routes provide service to the City of Alexandria, England airpark while the remaining route provides service to the City of Pineville. All routes interlock at a common transfer terminal, located at the corner of Main and Murray Streets in Alexandria. All of the routes operate on a sixty-minute headway. ATRANS hours of operation are Monday — Saturday, 6:15 AM — 10:00 PM with an average yearly ridership of 654,344. The City of Alexandria has developed and submitted to the Federal Transit Administration an Americans with disabilities Act compliance plan. Wheelchair lifts for the transportation of the mobile impaired and paratransit service are available. Two vans provide demand-response daily service. The hours of operation are the same as the fixed route and the demand system has a 17,417 yearly ridership.

The four-year transit portion of the FY 2023-2026 TIP will help support the continued development of new transit routes, the modification of existing transit routes, marketing strategies to increase ridership and the overall efficiency of the system. However, the cost benefit ratio of expanding fixed routes within the metropolitan area is prohibitive. The plan also makes provisions for preventive maintenance, vehicle replacement, and equipment purchases.

MPO CERTIFICATION

Certification of Project Inclusion in TIP AE

Certification is given by the RAPIDES AREA PLANNING COMMISSION, the DESIGNATED MPO (Metropolitan Planning Organization) for the Alexandria Urbanized area, which the City of Alexandria's projects area included in the Current Transportation Improvement Program/Annual Element (TIP/AE).

SECTION III

Financial Plan

The implementation of this plan will involve several funding sources. These sources include various programs at the local, State and Federal levels. On the Federal level these programs are under the Infrastructure Investment and Jobs Act (IIJA) and include the:

NATIONAL HIGHWAY PERFORMANCE PROGRAM (NHPP) [formerly NATIONAL HIGHWAY SYSTEM (NHS), NATIONAL BRIDGE PROGRAM, and INTERSTATE MAINTENANCE] - this category covers all interstate routes and a large percentage of urban principal arterials. The funding match under the NHPP for arterial routes is Federal (80)/Local (20), with the exception of the Interstate which has a funding match of Federal (90)/Local (10). This category of funds can also be used to replace or repair any bridge on a public road and has a funding match of Federal (80)/Local (20).

SURFACE TRANSPORTATION PROGRAM (STP) - this category is a block grant funding program with subcategories for States and Urban Areas. With the exception of local roads and rural minor collectors, these funds can be used for any roads including the NHS. The funding match is 80/20.

HIGHWAY SAFETY IMPROVEMENT PROGRAM (HSIP) – this category covers safety improvements to all public roads, but is constrained in that improvements in safety metrics are required to be eligible; however, funding can be up to a 100% federal share.

TRANSPORTATION ALTERNATIVES (TA) [formerly RECREATIONAL TRAILS, SAFE ROUTES TO SCHOOL (SRTS), AND TRANSPORTATION ENHANCEMENT (TE) PROGRAMS] – this category covers improvements such as pedestrian and bicycle facilities, landscaping, historic preservation, recreational trails, infrastructure safety improvements within 2 miles of schools (K-8), and more. Based on the type of improvement, the federal share of funding can be up to 100%

Any costs not covered by Federal and State programs will be the responsibility of the local government jurisdictions. Local funds can come from a variety of sources including property taxes, sales taxes, user fees, special assessments, impact fees and bond issues.

Historic Funding By Improvement Type

An analysis of historical funding using the LADOTD listing of projects let between 1990 and 2019 inside the MPA. Non-recurring funds were excluded from each year's total historical revenue. Projects were then grouped by year with an average Consumer Price Index (CPI) factor used to convert the revenue into 2020 dollars. The database was then aggregated by general project type as shown in the table below:

Categories	30 Yr Total Actual Dollars	Annual Avg 2020 Dollars	Percent
Capacity	\$189,706,466	\$6,323,549	23.17%
Reconstruction	\$50,667,327	\$1,688,911	6.19%
Overlay	\$179,841,816	\$5,994,727	21.96%
Bridge	\$109,437,670	\$3,647,922	13.37%
Safety	\$152,414,314	\$5,080,477	18.61%
Enhancement	\$17,368,931	\$578,964	2.12%
ITS	\$26,656,465	\$888,549	3.26%
Maintenance	\$92,702,602	\$3,090,087	11.32%
Total	\$818,795,592	\$27,293,186.41	100.00%

Forecast Funding Availability

Financially Constrained Plan's feasibility was assessed by comparing the estimated cost of the programmed improvements let between 1990 and 2019 to the projected funds available by funding source and improvement type. Recurring funding projection was made analyzing historic data expenditures for street and highway construction inside the MPA.

Categories	Annual Funding	Percent
Capacity	\$6,000,000	30%
Reconstruction	\$1,500,000	8%
Overlay	\$4,000,000	20%
Bridge	\$3,000,000	15%
Safety	\$3,000,000	15%
Enhancement	\$400,000	2%
ITS	\$400,000	2%
Maintenance	\$1,700,000	9%
Annual Average	\$20,000,000	100%

Since 1990, \$818,795,592.00 have been spent on transportation projects in the Alexandria-Pineville Metropolitan Area. Surface Transportation Program (STP) funding for urbanized areas with a population less than 200,000 is approximately \$17,500,000 per year. The Alexandria-Pineville Metropolitan Area's STP (50-200K) share is approximately \$3,500,000 per year (including matching funds). All STP projects listed on the Alexandria-Pineville Metropolitan Area's TIP were based on funds allocated for this area. All non-STP (NHPP, HSIP, and TAP) projects that appear within this document were developed jointly by the MPO and in consultation with the LADOTD through their financially constrained STIP.

The four year FY 2023-2026 TIP was developed within the financial limits of all funding sources as presented by the MPO and LaDOTD. As priorities and needs change in the Alexandria-Pineville Metropolitan Area, this plan may be revised to respond to those changes.

MPO Allocation for FY 2023 (Est. July 1, 2022 - June 30, 2023)

FTA Section 5303 Metropolitan Planning Assistance FY 2023

MPO Allocation for FY 2023 (Est. July 1, 2022 - June 30, 2023)	\$ 1,101,410
Less Base Amounts (including base amounts for Mandeville/Covington, Slidell, and Hammond)	\$ 498,000
Total used in proportion	\$ 603,410

NOTES:

FTA directs each state to develop a formula for the combined Section 5303 Planning Grant apportionment in its funding distribution to each MPO. The formula must ensure that no MPO is allocated less than the amount it received by administrative formula in fiscal year 1991.

The population for each area is based on the U.S. Department of Commerce, Bureau of the Census, Newly-Defined 2010 Urbanized Areas by city. Funding to the new urbanized areas created after implementation of the 1991 based formula can be restricted and/or limited if the total apportionment falls below the 1991 base. The population factor was obtained by dividing each MPO urbanized area population by the total state urbanized population. The FY 2021 estimated allocation was equitably distributed to each area using the population factor (pop factor x total used in proportion (\$89,812) = MPO allocation + base amount amount = total MPO allocation).

This schedule reflects the distribution of the Section 5303 Fiscal Year 2021 Appropriation from the Federal Transit Administration (FTA).

Transportation Performance Measures

With the passage of the Federal surface transportation legislation, “Moving Ahead for Progress in the 21st Century” (MAP-21), performance-based planning (PBP) has taken forefront with even greater significance. FAST Act (2015) further emphasized ensuring performance-based planning continues with mandates to both statewide and metropolitan planning processes to incorporate a more comprehensive performance-based approach to their decision-making. The legislation requires the USDOT, in consultation with States, MPOs and other stakeholders, to establish performance measures in the following areas:

- a) Safety
- b) Infrastructure Condition
- c) Congestion Reduction
- d) System Reliability
- e) Freight Movement and Economic Vitality
- f) Environmental Sustainability
- g) Reduced Project Delivery Delays

The TIP is a critical component of the Performance-Based Planning process because it commits transportation funding to specific improvement projects and operational strategies. Through this process, MPOs link planning to programming by prioritizing projects and allocating requisite funding for projects within the TIP ensuring consistency with the goals established in the Metropolitan Transportation Plan (MTP).

Safety Performance Measures/Target Setting

The FAST Act and subsequent federal rule-making established five performance measures related to safety. The measures are:

1. Number of Fatalities;
2. Number of Serious Injuries;
3. Rate of Fatalities per 100 million vehicle miles traveled;
4. Rate of Serious Injuries per 100 million vehicle miles traveled;
5. Number of Non-motorized Fatalities and Serious Injuries.

Federal regulations require the Louisiana Department of Transportation and Development (LADOTD) to establish and report annual performance targets by February 28 of each year. MPOs are required to either adopt and support the LADOTD’s statewide targets or set their own targets specific to their areas. Annual targets will be expressed as five-year rolling averages and be compared with a five-year rolling average base period comprising of the five calendar years ending prior to the year the targets are due.

LADOTD, in coordination with the Louisiana Highway Safety Commission, has established statewide targets for each of the five performance measures as follows:

- 1% annual reduction in fatalities from a 2022 baseline of 841 to a target of 724 in 2024
- 1% annual reduction in serious injuries from a 2022 baseline of 1673 to a target of 1639 in 2024
- 1% annual reduction in fatality rate from a 2022 baseline of 1.608 to a target of 1.576 in 2024

- 1% annual reduction in in serious injury rate from a 2022 baseline of 3.173 to a target of 3.110 in 2024
- 1% annual reduction in non-motorized fatalities and serious injuries from a 2022 baseline of 447 to a target of 438 in 2024

RAPC is supporting LADOTD's safety targets and amended the current Alexandria-Pineville MPO Metropolitan Transportation Plan (MTP 2045) to adopt and support LADOTD's statewide measures and targets related to transportation safety as mentioned above. The Alexandria-Pineville MPO Transportation Policy Committee formally met February 8, 2024, and approved supporting LADOTD's statewide targets following a 14-day public comment period January 22 thru February 6 2024. No comments were received.

The corresponding data for both LADOTD and the A/P-MPO's targets is as follows:

	Measure	Annual Targeted Change	Base (2016-2020) Rolling Average	Target (2022)	Base (2017-2021) Rolling Average	Target (2023)	Base (2018-2022) Rolling Average	Target (2024)
State	Fatalities	1% reduction	771	755	814	797	841	824
	Serious Injuries		1370	1343	1425	1396	1673	1639
	Fatality Rate		1.537	1.506	1.601	1.568	1.608	1.576
	Serious Injury Rate		2.73	2.676	2.804	2.748	3.173	3.110
	Non-Motorized Fatalities and Serious Injuries		378	371	398	390	447	438
Local	Fatalities		12	12	15	15	16	16
	Serious Injuries		17	17	18	18	24	24
	Fatality Rate		1.229	1.206	1.467	1.438	1.535	1.504
	Serious Injury Rate		1.711	1.672	1.78	1.745	2.265	2.220
	Non-Motorized Fatalities and Serious Injuries		8	8	8	8	11	10

The FY 2022 safety contract provides additional funding for the MPO to develop Parish Local Road Safety Plans (LRSP). LRSP's aim to identify hotspots and provide data to elected officials to make informed decisions on project prioritization and sound finial management decisions.

Transit Performance

Transit providers that received FTA funding are also required to incorporate performance management into their planning and programming process. This requires the creation of a Transit Asset Management (TAM) Plan and State of Good Repair (SGR) performance targets. Atrans is the only fixed route urban transit service provider availing FTA 5307 grant within the A/P MPO metropolitan area. The MPO is supports Atrans transit performance targets. All other on-demand transit service providers (FTA 5310 and/or FTA 5311 grant) are covered by LaDOTD's group TAM plan.

Asset Class	Performance Measures	Target
Rolling Stock All revenue vehicles	Age - % of revenue vehicles within a particular asset class that have met or exceeded their Useful Life Benchmark (ULB)	10% of buses and vans must exceed ULB
Equipment Non-revenue vehicles	Age - % of vehicles that have met or exceeded their Useful Life Benchmark (ULB)	0.9
Facilities All buildings or structures	Condition - % of facilities with a condition rating below 3.0 on the FTA Transit Economic Requirements Model (TERM) Scale	All building must remain above 3.0 rating on the TERM scale

Transit Safety Performance Measures

The PTASP Final Rule, 49 CFR Part 673.11(a)(3), requires that all public transportation providers must develop an Agency Safety Plan (ASP) to include Safety Performance Targets (SPT) based on the safety performance measures established under the NSP. The safety performance measures included in the NSP are fatalities, injuries, safety events, and system reliability (State of Good Repair as developed and tracked in the TAM Plan). Atrans used past five (5) years of reported data to develop rolling averages listed in Table 5.7. Targets are set at the current NTD reported five-year average.

Safety Performance Measure	SPT		SPT	
Fatalities	Total Number Reported		Rate Per Total VRM	
Injuries	Total Number Reported		Rate Per Total VRM	
Safety Events	Total Number Reported		Rate Per Total VRM	
System Reliability	Mean distance between major mechanical failure			
System Performance Measure	Fixed Route		Demand Response	
	Baseline (2019)	Target	Baseline (2019)	Target
Fatilities	0.2	0.2	0	0
Rate of Fatalities*	0.000000396	0.000000396	0	0
Injuries	0.2	0.2	0	0
Rate of Injuries*	0.000000396	0.000000396	0	0
Safety Events	4.4	4.4	0	0
Rate of Safety Events	0.000008721	0.000008721	0	0
Mean Distance Between Major Mechanical Failure	504,552.40	504,552.40	76,916.40	76,916.40
* rate = total number for the year/total revenue vehicle miles traveled				

System Performance Measures & Targets

The current TIP is consistent with the established goals of the MTP. The TIP project selection process has filtered projects focused on pavement and bridge preservation and is in sync with achieving PM2 and PM3 performance targets.

The PM2 Performance Measures are Pavement (Rutting, cracking, faulting, IRI) and Bridge Condition (total deck area) related while PM3 System Performance Measures involves Reliability on Interstate, Non-Interstate and Truck Travel Times.

RAPC is supporting all of LADOTD's system performance (PM2 and PM3) targets sans Good condition rating on Non-Interstate NHS measure and seeks amendment to the current Alexandria/ Pineville MPO Metropolitan Transportation Plan (2045) and TIP FY 2023- 2026, to adopt and support LADOTD's measures and targets.

System Performance Measure	LADOTD Targets			MPA Targets	
	Baseline (2022)	2-Year Target (2024)	4-Year Target (2026)	Baseline (2017)	4-Year Target (2022)
% Interstate Pavement Good Condition	22%	16.9%	13.5%	0%	13.5%
% Interstate Pavement Poor Condition	1.7%	2.1%	2.4%	1%	2.4%
% Non-Interstate NHS Pavement Good Condition	15.9%	9.8%	5.7%	11%	5.7%
% Non-Interstate NHS Pavement Poor Condition	11.9%	14.3%	15.9%	11%	15.9%
% NHS Bridges Good Condition	38.3%	34.2%	34.7%	50.6%	34.7%
% NHS Bridges Classified Poor Condition	6.8%	4.6%	4.7%	0.5%	2%
% of the Person-Miles Traveled on the Interstate that are Reliable	88.9	88.4	87.9	99.7	98.5
% of the Person-Miles Traveled on the Non-Interstate that are Reliable	89.4	88.1	86.9	95.3	92.7
Truck Travel Time Reliability (TTTR) Index	1.37	1.40	1.43	1.13	1.19

Performance Based Planning & TIP Projects

The 2045 Metropolitan Transportation Plan (MTP) set the tone to utilize performance-based planning approach in sync with the federal requirements of MAP-21 and continued in FAST Act. Performance based planning and programming (PBPP) is the strategic application of performance management that is based on the development, application, and monitoring of performance data in both the TIP as well as MTP. Based on public vision and input, the MTP identified Safety and System Preservation as top priorities in identifying projects. The Alexandria MPA currently does not have any locally owned NHS segments.

The total number of projects within the four-year TIP includes: 10 roadway safety related, including 6 PM2 system performance related, in addition to 20 transit related projects, accounting for an overall total of 36 projects. The number of roadway related projects (10) pertaining to safety performance measures is 17.9% totaling \$4.92 million which is in line with 'safety' goal as outlined in the MTP 2045 prioritization. The MPO's Transportation Policy Committee emphasizes the need to invest in STBGP dollars in system preservation by allocation projects to **regionally significant roadways and bridges** which is reflected as a goal in the MTP. Therefore, the TIP includes 6 projects (48.6%) which focus on pavement and bridge related work totaling \$13.93 million.

The table on the following page showcases how projects included in the TIP help the MPO achieve selected performance targets and regional transportation system goals. TIP projects were categorized as roadway safety, transit, and condition (pavement & bridge). Total funding programmed for each category were then added and used to calculate the percentage of investment programmed to attain selected performance targets and goals established by the MPO's long range transportation plan - MTP 2045.

FFY	TIP Project	MTP 2045 Goals						Approx. # of Crashes* (2019-2022)	Performance Measures							
		1	2	3	4	5	6		SAFETY		TRANSIT		PAVEMENT/BRIDGE		FED \$	NON-FED \$

Tip Project Selection Criteria

The 2045 Metropolitan Transportation Plan (MTP) outlines the roadway project prioritization criteria. The TIP project selection adheres to MTP guidelines to keep in line with the goals and vision stabled by the MTP. The MPO uses a tiered approach to determine how projects are prioritized. Each project under consideration for inclusion in the TIP and MTP was initially evaluated and assigned points in Tier I based on their ability to improve safety, reduce travel delay, and improve system connectivity. For example, a project that meets multiple goal categories may be considered a high priority for investment. Projects not meeting the threshold for addressing these criteria are removed from further consideration for inclusion in the implementation program. The table below shows the prioritization criteria and maximum points criteria used to evaluate each candidate project, weighted based on importance.

Tier I Criteria	Possible Points
Safety	80
Travel Delay Reduction	80
System Connectivity	40
TOTAL	200
Tier II Criteria	Possible Points
Plan Consistency / Feasibility / Readiness	20
Potential Freight Benefits	20
Potential Bike / Ped. Benefits	20
Potential Impact to Community or Natural Resources	20
Potential Environmental Justice and Low-income Population Impact	20
TOTAL	100

MPO staff issues a Call for Projects before the start of each Federal Fiscal Year (FFY). The Technical Advisory Committee (TAC) discuss at length all the projects received within the auspices of the project selection criteria mentioned above. Moreover, staff advises TAC to ensure selected projects adhere to anticipated performance targets. TAC advises staff to forward the selected projects to the Transportation Policy Committee (TPC). Finally, TPC deliberates on the TAC selected projects and provides final direction to APMPO staff, pending public comment. Staff issues a notice using electronic and print media that the plan available for a minimum 14-day public review and comment period, providing complete TIP document for public view at all locations identified within the Public Participation Plan. If no public comments are received, the TPC Chair signs a Resolution adopting the TIP.

Project ranking criteria scoring measures, data sources, and scoring scales for these criteria can be found in the table below:

PROJECT PRIORITIZATION CRITERIA MEASURES

Criterion	Rationale	Measure	0	5	10	15	20	40
Travel Delay Reduction Benefits	Prioritize projects that reduce travel time delay in a cost-efficient manner	<i>Benefit/Cost Ratio (Annual dollars saved from reduced delay divided by project cost)</i>	Points awarded in increments of 10 based on breaks in the distribution values.					
Safety	Prioritize projects that address existing safety hot spots and corridors.	<i>Qualitative assessment based on historic crash data and engineer's assessment.</i>	No safety benefits	X	X	Minimal safety benefits	Moderate safety benefits	Considerable safety benefits
System Connectivity & Continuity	Connectivity benefits exceed delay reduction, especially as it relates to the provision of alternative routes for automobiles and direct routes for bicyclists and pedestrians.	<i>For new alignments:</i> Roadways classified as arterials or higher intersected per mile (principal arterials, expressways, and interstates count 2 times) <i>For widening:</i> Number of connections or intersections with existing widened facilities.	0 to 0.5 intersections/ no connection or intersection	0.5 to 1 intersections per mile/1 connection or intersection	1 to 1.5 intersections per mile/2+ connections or intersections	1.5 to 2 intersections per mile/no points possible for widening	2+ intersections per mile/no points possible for widening	X
Intermodal & Multimodal Benefits	Prioritize projects that have the potential to improve bike/ped conditions.	<i>Type of roadway, adjacency to planned bike/ped facility</i>	Expressway, interstate, or other facility that prohibits bike/ped traffic	X	All other roadways not adjacent to planned bike/ped facility	X	All other roadways adjacent to planned bike/ped facility that would likely be included in project scope	X
Plan Consistency	Prioritize projects that have been vetted in locally-adopted plans or existing studies.	<i>In previous locally-adopted plan or in preliminary study.</i>	No previous plans or study	In previous MTP, vision/ project (unfunded)	In previous MTP, fiscally-constrained project (funded)	In local or statewide plan (e.g. Comprehensive or Statewide Plan)	Preliminary study (e.g. Stage 0, preliminary engineering study, etc.)	X
Potential Impact to Community or Natural Resources	Avoid negative and costly environmental impacts.	<i>Proximity to community or natural resources like historic sites, recreational areas, churches, cemeteries, preserves, etc.</i>	Considerable perceived impact	X	Moderate perceived impact	Minimal perceived impact	No perceived impact	X
Potential Impact to Minority & Low-Income Population	Avoid prioritizing projects that are likely to have disproportionately high and adverse impacts to Environmental Justice (EJ) groups.	<i>Percentage of population along project corridor that is a minority or in a low-income household.</i>	EJ population 1.5 times or higher than planning area average	EJ population above planning area average	EJ population below planning area average	If the MPO determines that the roadway project going through an EJ area has support from its minority/low-income community, the project will receive maximum points. Projects with a surrounding area of less than 50 people per developed acre are considered undeveloped and receive maximum points.		
Potential Freight Benefits	Prioritize projects that benefit the movement of goods.	<i>Hours of delay reduced for freight trucks. Points awarded based on distribution of data.</i>	No freight benefits	Low freight benefits	Moderate freight benefits	High freight benefits	Highest freight benefits	X

X = not applicable (N/A)

SECTION IV

Title VI Notice

Title VI Policy Statement

It is the policy of the Rapides Area Planning Commission that no person shall on the grounds of race, color, and national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any operation of the Rapides Area Planning Commission as provided by Title VI of the Civil Rights Act of 1964 and related statutes.

This policy applies to all operations of the Rapides Area Planning Commission, including its contractors and anyone who acts on behalf of the Rapides Area Planning Commission. This policy also applies to the operations of any department or agency to which the Rapides Area Planning Commission extends federal financial assistance. Federal financial assistance includes grants, training, equipment usage, donations of surplus property, and other assistance.

Prohibited discrimination may be intentional or unintentional. Seemingly, neutral acts that have disparate impacts on individuals of a protected group and lack a substantial legitimate justification are a form of prohibited discrimination. Harassment and retaliation are also prohibited forms of discrimination.

Examples of prohibited types of discrimination based on race, color, or national origin include: Denial to an individual any service, financial aid, or other benefit; Distinctions in the quality, quantity, or manner in which a benefit is provided; Segregation or separate treatment; Restriction in the enjoyment of any advantages, privileges, or other benefits provided; Discrimination in any activities related to highway and infrastructure or facility built or repaired; and Discrimination in employment.

Title VI compliance is a condition of receipt of federal funds. The Title VI Coordinator is authorized to ensure compliance with this policy, Title VI of the Civil Rights Act of 1964, 42 USC § 2000d and related statutes, 42 USC 4601 to 4655; 23 USC 109(h); 23 USC 324; DOT Order 1050.2; EO 12250; EO 12898; 28 CFR 50.3 and 49 CFR part 21.

LaDOTD Project Development Process

What is an MPO and what is its role in the planning process?

The MPO is the forum for cooperative transportation decision making for the metropolitan planning area. An MPO is required in each urbanized area having a population of over 50,000. There are currently 400+ MPOs in the United States. These MPOs, in cooperation with states, transit operators, local municipalities, parishes and other key transportation entities in the metropolitan area carry out the planning process. These same agencies, under the coordination of the MPO, also cooperatively develop the annual Unified Planning Work Program (UPWP) and the 4-year Transportation Improvement Program (TIP).

In 1975 the Governor of Louisiana designated the Alexandria – Pineville Urbanized Area the sixth Metropolitan Planning Organization (MPO) in Louisiana. This designation occurred once the Urbanized Area (UA) exceeded 50,000 in population (Presently, the 2010 census population within the MPO planning area boundary is 131,613). Hammond (2013) is the latest MPO designation in Louisiana. Prior to that was Lake Charles (1984).

What is transportation planning and why does it exist?

The transportation planning process exists to provide the information needed for decision makers to choose among alternative strategies for improving transportation system performance.

Transportation planning is the process of:

- Establishing a community/regional vision and identifying how transportation fits into this vision.
- Developing/utilizing a cooperative and inclusive transportation vision and operations concept for the area.
- Understanding the types of decisions needed to achieve this vision.
- Assessing the opportunities and limitations of the future in relation to goals and desired system performance measures.
- Identifying near – and long-term consequences of alternative choices.
- Relating alternative decisions to goals, objectives, and system performance measures. Presenting this information to decision makers.
- Helping decision makers establish priorities and develop an investment program.

What is the importance of transportation planning in our metropolitan area?

The Intermodal Surface Transportation Efficiency act (ISTEA) of 1991 emphasized transportation planning with a focus on intermodal transportation. The Transportation Equity Act for the 21st Century (TEA-21) of 1998 continued the vision of ISTEA with seven planning factors that directly relate to quality of life in states and metropolitan areas. The Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) of 2005 represents the largest surface transportation investment in our Nation's history, addressing many challenges facing our transportation system, such as improving safety, reducing traffic congestion, improving efficiency in freight movement, increasing intermodal connectivity, and protecting the environment and laying the groundwork for addressing future challenges. MAP-21, the Moving Ahead for Progress in the 21st Century Act (P.L. 112-141), was signed into law by President Obama on July 6, 2012. Funding surface transportation programs at over \$105 billion for fiscal years (FY) 2013 and 2014, MAP-21 is the first longterm highway authorization enacted since 2005. MAP-21 is a milestone for the U.S. economy and the Nation's surface transportation program.

By transforming the policy and programmatic framework for investments to guide the system's growth and development, MAP-21 created a streamlined and performance-based surface transportation program and built on many of the highway, transit, bike, and pedestrian programs and policies established in 1991. The FAST Act added two new planning factors and emphasized importance to national freight network. The most recent legislation Infrastructure Investment and Jobs Act (IIJA) authorizes \$1.2 trillion for transportation and infrastructure spending with \$550 billion of that figure going toward "new" investments and programs.

When developing transportation plans, planners should seek transportation solutions that:

- Maintain a continuing, cooperative and comprehensive planning process
- Enhance system integration and connectivity
- Promote efficient system management and operation
- Increase safety and security
- Increase accessibility and mobility options
- Protect the environment and improve quality of life
- Emphasis system preservation
- Support economic vitality
- Involve the general public
- Enhance travel and tourism.
- Improve the resiliency and reliability of the transportation systems and reduce/mitigate storm-water impacts on surface transportation.

JOINT CERTIFICATION

Joint Certification of the Metropolitan Planning Process for the Alexandria-Pineville Urbanized Area.

The State of Louisiana and the Alexandria-Pineville Metropolitan Planning Organization within the Rapides Area Planning Commission (RAPC) hereby certify that the transportation planning process the addressing the major issues facing the Alexandria Urbanized Area and is being conducted in accordance with all applicable requirements of:

- (1) 23 U.S.C. 134 and 135, 49 U.S.C. 5303 and 5304, and this subpart;
- (2) Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000d-1) and 49 CFR part 21;
- (3) 49 U.S.C. 5332, prohibiting discrimination on the basis of race, color, creed, national origin, sex, or age in employment or business opportunity;
- (4) Section 1101(b) of the FAST Act (Pub. L. 114-137) and 49 CFR part 26 regarding the involvement of disadvantaged business enterprises in USDOT funded projects;
- (5) 23 CFR part 230, regarding implementation of an equal employment opportunity program on Federal and Federal-aid highway construction contracts;
- (6) The provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) and 49 CFR parts 27, 37, and 38;
- (7) In States containing non attainment and maintenance areas, sections 174 and 176 (c) and (d) of the Clean Air Act, as amended (42 U.S.C. 7504, 7506 (c) and (d)) and 40 CFR part 93;
- (8) Older Americans Act, as amended (42 U.S.C. 6101), prohibiting discrimination on the basis of age in programs or activities receiving Federal financial assistance;
- (9) 23 U.S.C. 324, regarding the prohibition of discrimination based on gender; and
- (10) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and 49 CFR part 27 regarding discrimination against individuals with disabilities.

PUBLIC REVIEW & ADOPTION

June 8, 2023

PUBLIC COMMENT INVITED:

The Rapides Area Planning Commission, the local Metropolitan Planning organization (MPO), has released three documents for public review. Interested members of the public may review the following documents online at www.rapc.info/transportation:

- Bridge & Pavement Condition (PM2) and System Reliability (PM3)
4-year MPO Transportation Performance Measures
- FY2024 Unified Planning Work Program
- Transportation Improvement Program, Amendment 1

In order to meet the requirements provided within the Fixing America's Surface Transportation Act (FAST Act) and as outlined in our Public Participation Plan, these documents will be available for review and comment for a minimum period of (14) days prior to final adoption.

The MPO will accept comments on these documents from June 9 – June 26 at 4 pm. Public comments must be submitted in writing using the MPO's online public comment form, by email to jbolen@rapc.info, or by mail to Alexandria-Pineville Metropolitan Planning Organization, 803 Johnston St, Alexandria, LA 71301. Comments must be received by 4pm June 26, 2023.

Printed copies are available by request at the Rapides Area Planning Commission, 803 Johnston Street, Alexandria, LA 71301 or by calling 318-487-5401.

ADA Notice:

For alternative formats, translation services, or special accommodations, contact our ADA Coordinator, Kathy Powell, by phone 318-487-5401 ext. 15 at least 72 hours before the end of the public comment period.

Public Review & Comment Schedule

ACTIVITY	DATE	LOCATION	PURPOSE
Technical Advisory Committee (TAC) Meeting	Wednesday, May 31 10:00 AM	803 Johnston Street, Alexandria, LA 71301 Or Online Meeting	The TAC is scheduled to make a formal recommendation on the proposed amendment at this meeting.
Transportation Policy Committee (TPC) Meeting	Wednesday, June 7 10:00 AM	803 Johnston Street, Alexandria, LA 71301 Or Online Meeting	There is an opportunity for public input at this meeting, under the standing Public Comments agenda item. The TPC is scheduled to take formal action on the proposed amendment at this meeting.
PUBLIC REVIEW & COMMENT PERIOD	June 9 thru June 26, 2023	Electronic Review: www.rapc.info Hard copy documents available on request.	The general public, partners and stakeholders will have an opportunity to review and comment on the proposed amendment. Comments will be accepted in writing. Please submit comments to: jbolen@rapc.info

Background

The APMPO's Transportation Improvement Program (TIP) is an on-going program that assigns funding to specific highway, road, bridge, transit, bicycle, pedestrian, and other transportation projects in the metropolitan planning area (MPA). Inclusion in the TIP is federally required before any federal funds can be made available for use on a project.

The current TIP covers projects that are expected to be active during the Federal Fiscal Years (FFY) 2023 through 2026. The complete project list and additional project information can be found on APMPO's website at, www.rapc.info/transportation.

Amendment No. 1 (Highway Element) Summary

Regular opportunities are provided to project sponsors to request changes during the project development process. Requests for new projects or requests for significant changes to scope or cost are considered as formal Amendments and require formal approval by the APMPO Transportation Policy Committee (TPC). Administrative modifications are requested changes that include activities like small adjustments in the cost estimate or schedule. Administrative modifications are processed by staff.

Amendment (formal action required)

Project Name	Change
H.XXXXXX BICYCLE & PEDESTRIAN PROGRAM PHASES II, III, IV, V	Remove from TIP. BPP Phase II was removed at City's request; CLECO moved local match for BPP Phases II, III, IV, V to another preferred project
H.XXXXXX BUHLOW-CENTRAL GREENWAY PLANNING & ENGINEERING	Add PLNG phase at \$80,000 and ENGR phase at \$220,000 STP50-200K at 20/80 in FFY2023-24
H.XXXXXX BUHLOW-CENTRAL GREENWAY CONS	Add CONS phase at \$1.1M at 20/80 in FFY2025-26

Administrative Modification (does not require formal action)

Project Name	Change
H.015476 FOISY STREET: MONROE ST TO DESOTO RECONSTRUCTION	Added project number to CONS phase for FFY2023-24
H.015312 JONES STREET PAVEMENT REHABILITATION	Added project number to CONS phase for FFY2023-24
H.XXXXXX MASONIC DRIVE SAFETY IMPROVEMENTS	Moved CONS phase from FFY2022-23 to FFY2023-24; awaiting guidance from City Engineering regarding improvement type to complete Stage 0
H.XXXXXX VANDENBURG DRIVE: LA 496 TO ENGLAND DRIVE ROUNDABOUT	Moved CONS phase from FFY2022-23 to FFY2023-24; awaiting CEA to facilitate local match to complete Stage 0
H.011194 PINEVILLE ELEMENTARY SIDEWALKS	Updated ENGR phase at \$88,058 of HSIPPEN and CONS phase at \$262,000 of HSIP-VRU and \$458,000 HSIPPEN for FFY2022-2023
H.015124 PARDUE RD, US 165 XINGS	Updated CONS phase at \$125,000 of RAIL HE for FFY2022-2023
LA 623: US 165 TO CAMP LIVINGSTON RD	Updated CONS phase at \$312,000 of STPFLEX for FFY2022-2023
H.011960 DISTRICT 08 CONTROLLER UPGRADES	Updated CONS phase at \$449,570 of STPFLEX for FFY2024-2025
H.009122 LA 1204: BAYOU FLAGON & KITCHEN CREEK NEW BRIDGES	Updated ENVI phase at \$60,000, R/W phase at \$60,000, UTL at \$40,000, ENG at \$25,000 and CONS phase at \$3,000,000 of STPFLEX for FFY2023-2024
H.011504 ALEXANDRIA ITS PHASE II: INSTALLING BRIDGE ADVISORIES, CCTVs, DMSS	Updated FESBLT at \$71,000, ENGR phase at \$317,000, and CONS phase at \$1,800,000 of NHPP for FFY2023-2024
H.012046 CHATLIN LAKE & HORSESHOE CANAL BRIDGE	Updated CONS phase at \$5,183,000 of STPFLEX for FFY2023-2024

Project Name	Change
H.015272 US 165: INTERSECTION IMPROVEMENTS	Updated CONS phase at \$700,000 of NHPP for FFY2023-2024
H.007538 LA 498: ENGLAND AIR PARK TO LA 1 GATEWAY	Updated CONS phase at \$1,113,000 of NHPP and \$928,000 of TAP50-200K for FFY2023-2024
H.015479 GENE BALL RD: UP XING	Updated CONS phase at \$300,000 of RAIL PD for FFY2024-2025
H.014984 LIBUSE CUTOFF RD OVER FLAGON BAYOU BRIDGE REPLACEMENT	Updated ENGR phase at \$92,000 of FBROFF and CONS phase at \$618,000 of FBROFF for FFY2025-2026

Partner & Stakeholder Consultation

APMPO worked extensively with regional planning partners, including the Louisiana Department of Transportation and Development (DOTD) and Alexandria Transit, as well as all of our member jurisdictions. In advance of this amendment, APMPO coordinated with DOTD and alerted project sponsors to necessary project changes. APMPO conducted an open Call for Changes to project sponsors, and worked closely with representatives of our planning partners and member jurisdictions to review particular projects. APMPO staff also engaged with the Transportation Policy Committee and Technical Advisory Committee on this amendment.

Public Comments

A 14-day public comment period is planned June 9 - 26, 2023.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 2

Staff Contact | Jonathan Bolen, Transportation Director | jbolen@rapc.info

Public Review & Comment Schedule

ACTIVITY	DATE	LOCATION	PURPOSE
Technical Advisory Committee (TAC) Meeting	Wednesday, August 9 10:00 AM	803 Johnston Street, Alexandria, LA 71301 Or Online Meeting	The TAC is scheduled to make a formal recommendation on the proposed amendment at this meeting.
Transportation Policy Committee (TPC) Meeting	Wednesday, September 6 10:00 AM	803 Johnston Street, Alexandria, LA 71301 Or Online Meeting	There is an opportunity for public input at this meeting, under the standing Public Comments agenda item. The TPC is scheduled to take formal action on the proposed amendment at this meeting.
PUBLIC REVIEW & COMMENT PERIOD	September 8 thru September 25	Electronic Review: www.rapc.info Hard copy documents available on request at the Rapides Area Planning Commission	The general public, partners and stakeholders will have an opportunity to review and comment on the proposed amendment. Comments will be accepted in writing. Please submit comments to: jbolen@rapc.info

Background

APMPO's Transportation Improvement Program (TIP) is an on-going program that assigns funding to specific highway, road, bridge, transit, bicycle, pedestrian, and other transportation projects in the region. Inclusion in the TIP is federally required before any federal funds can be made available for use on a project.

The current TIP covers projects that are expected to be active during the Federal Fiscal Years (FFY) 2023 through 2026. The complete project list and additional project information can be found on APMPO's website at, www.rapc.info/transportation.

The four-year transit portion of the FY 2023-2026 Transportation Improvement Program (TIP) will help support the continued operation along existing transit routes and the overall efficiency of the Alexandria Transit (ATRANS) system. However, the cost benefit ratio of expanding fixed routes within the metropolitan area is prohibitive. The plan also makes provisions for preventive maintenance, vehicle and facility replacement, as well as equipment purchases.

Amendment (formal action required)

Project Name	Change
H.XXXXXX LA 28E Safety Improvements	Add Construction Phase at \$440,000 in STP50-200K at 80/20 in FY24-25 sponsored by City of Pineville
H.XXXXXX US 165-X at LA 3144 Roundabout	Add Construction Phase at \$2,200,000 in STP50-200K at 80/20 in FY25-26 sponsored by DOTD
11.42.20 Acquire Misc. Shop Equipment	Remove from TIP FY24-25 and FY25-26. At this time ATRANS is not planning to acquire any additional shop equipment beyond FY23-24
44.25.00 Automatic Passenger Counters	Remove from TIP FY 22-23, FY 23-24, and FY 24-25. Passenger Counters are under review with FTA because they have to be certified and from certain manufacturers. From speaking with colleagues, this has caused issues with NTD reporting and the validity of the data they are reporting using these devices. A qualified statistician would have to verify the data reported to NTD
11.12.15 Replace (two) Minivans	Add \$150,000 in FTA 5307 Capital at 80/20 in FY24-25
11.12.20 Replace (one) 30-35' Bus	Add \$450,000 in FTA 5307 Capital at 80/20 in FY25-26
11.30.01 1% Bus Security Improvements	Add \$15,000 in FTA 5307 Capital at 80/20 in FY22-23, FY23-24, FY24-25, & FY25-26

Administrative Modification (does not require formal action)

Project Name	Change
30.09.00 Operating Assistance	Modify operating assistance from \$2,000,000 to \$1,500,000 in FTA 5307 Operating at 50/50 in FY24-25 and FY25-26
11.42.06 Acquire Shop Equipment	Modify amount from \$225,000 to \$385,000 in FTA 5307 Operating at 80/20 in FY22-23
11.12.20 Replace (one) 30-35' Bus	Move from FY23-24 to FY24-25
11.42.11 Acquire Support Vehicles	Move from FY23-24 to FY24-25

Overall:

As proposed, Amendment No. 2 maintains TIP investment in transit facilities, preventative maintenance, and equipment; increases investment in rolling stock 63%; adds new bus security projects; reduces total transit operating costs 14%; decreases total FTA 5307 investment 5%; increases total number of transit projects 12%; and increases investment in road safety projects 14%.

2023 - 2026

TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 2

Partner & Stakeholder Consultation

APMPO worked extensively with regional planning partners, including the Louisiana Department of Transportation and Development (DOTD) and Alexandria Transit (ATRANS), as well as all of our member jurisdictions. In advance of this amendment, APMPO coordinated with DOTD and alerted project sponsors to necessary project changes. APMPO worked closely with representatives of our planning partners and member jurisdictions to review particular projects. APMPO staff also engaged with the Transportation Policy Committee and Technical Advisory Committee on this amendment.

Public Comments

A 14-day public comment period is planned September 8 - September 25, 2023.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

February 15, 2024

PUBLIC COMMENT INVITED:

The Rapides Area Planning Commission, the local Metropolitan Planning organization (MPO), has released the following document for public review online.

- *2023 – 2026 Transportation Improvement Program, Amendment 3*

In order to meet the requirements provided within 23 CFR 450.316 and MPO's public participation plan, these documents will be available for review and comment for a minimum period of (14) days prior to final adoption.

Beginning February 16 through March 1, interested members of the public may review and comment on this document on the RAPC website, www.rapc.info/transportation.

Printed copies are available by request at the Rapides Area Planning Commission, 803 Johnston Street, Alexandria, LA 71301, by calling 318-487-5401, or email to jbolen@rapc.info.

Written comments or suggestions can be submitted to the Alexandria-Pineville Metropolitan Planning Organization by mail to 803 Johnston Street, Alexandria, LA 71301, by email to jbolen@rapc.info, or online using the [APMPO Online Public Comment Form](#) on our website. Comments will be accepted until March 1, 2024.

ADA Notice:

The Rapides Area Planning Commission does not discriminate on the basis of disability in its programs, services, activities and employment practices.

Upon request, this notice is also available in alternative formats. If you need auxiliary aids and services for effective communication (such as a sign language interpreter, an assistive listening device or print material in digital format) or reasonable modification to programs, services or activities contact the ADA Coordinator - Kathy Powell, via phone 318-487-5401 ext. 15 as soon as possible, preferably 3 days before the end of the comment period.

TRANSPORTATION IMPROVEMENT PROGRAM**Amendment No. 3 - Highway Element****Amendment No. 3 Summary (Highway Element)**

Regular opportunities are provided to project sponsors to request changes during the project development process. Requests for new projects or requests for significant changes to scope or cost are considered as formal Amendments and require formal approval by the APMPO Transportation Policy Committee (TPC). Motion to amend the current TIP to include items in the table below was adopted by the TPC February 8, 2024.

Amendment (formal action required)

Project Name	Change
H.011942 US 165: Roundabout at Pinecrest	Add \$2,415,000 Construction Phase at \$1,932,000 in STP50-200K at 80/20 to FY25-26; sponsored by City of Pineville. TPC swapped project place for US 165-X at LA 3144 (Edgewood Dr.) Pinecrest Roundabout based on priority/need.
H.XXXXXX Carbon Reduction Program Outreach & Strategy Plan	Add Planning Phase at \$200,000 to FFY 2023 - 2024

Administrative modifications are requested changes that include activities like small adjustments in the cost estimate or schedule. Administrative modifications are processed by staff between December 8, 2023, and January 31, 2024, are included in the table below.

Administrative Modification (does not require formal action)

Project Name	Change
H.015476 FOISY ST: MONROE ST TO DESOTO RECONSTRUCTION	Move Construction Phase from FY23-24 to FY24-25 due to new anticipate letting date
H.XXXXXX MASONIC DRIVE SAFETY IMPROVEMENTS	Move Construction Phase from FY23-24 to FY24-25 due to new anticipate letting date; Stage 0 under development
H.XXXXXX VANDENBURG DRIVE	Move Construction Phase from FY23-24 to FY24-25 due to new anticipate letting date; Stage 0 under development
H.XXXXXX TOWN OF BALL INTERSECTION IMPROVEMENTS	Move Construction Phase from FY24-25 to FY25-26 due to new anticipate letting date; Stage 0 under development; improvement not identified
H.015633 COA ASPHALTIC REHAB PHASE III	Added Project Number; updated project title from COA STREET IMPROVEMENTS PHASE III
H.XXXXXX BUHLOW CENTRAL GREENWAY	Move Construction Phase from FY25-26 outside financially constrained TIP to FY26-27; subject feasibility and engineering phase completion
H.XXXXXX US 165-X at LA 3144 Roundabout	Move Construction Phase from FY25-26 outside financially constrained TIP to FY26-27; TPC moved project to advance H.011942 US 165 Roundabout at Pinecrest Project based on priority/need.

2023 - 2026

TRANSPORTATION IMPROVEMENT PROGRAM

Amendment No. 3 - Highway Element

Partner & Stakeholder Consultation

APMPO worked extensively with regional planning partners, including the Louisiana Department of Transportation and Development (DOTD) as well as all of our member jurisdictions. APMPO staff participated in a TIP Project Schedule review with DOTD and FHWA January 30, 2024, at RAPC in Alexandria. Administrative Modifications are recommended by MPO staff based on input from that meeting.

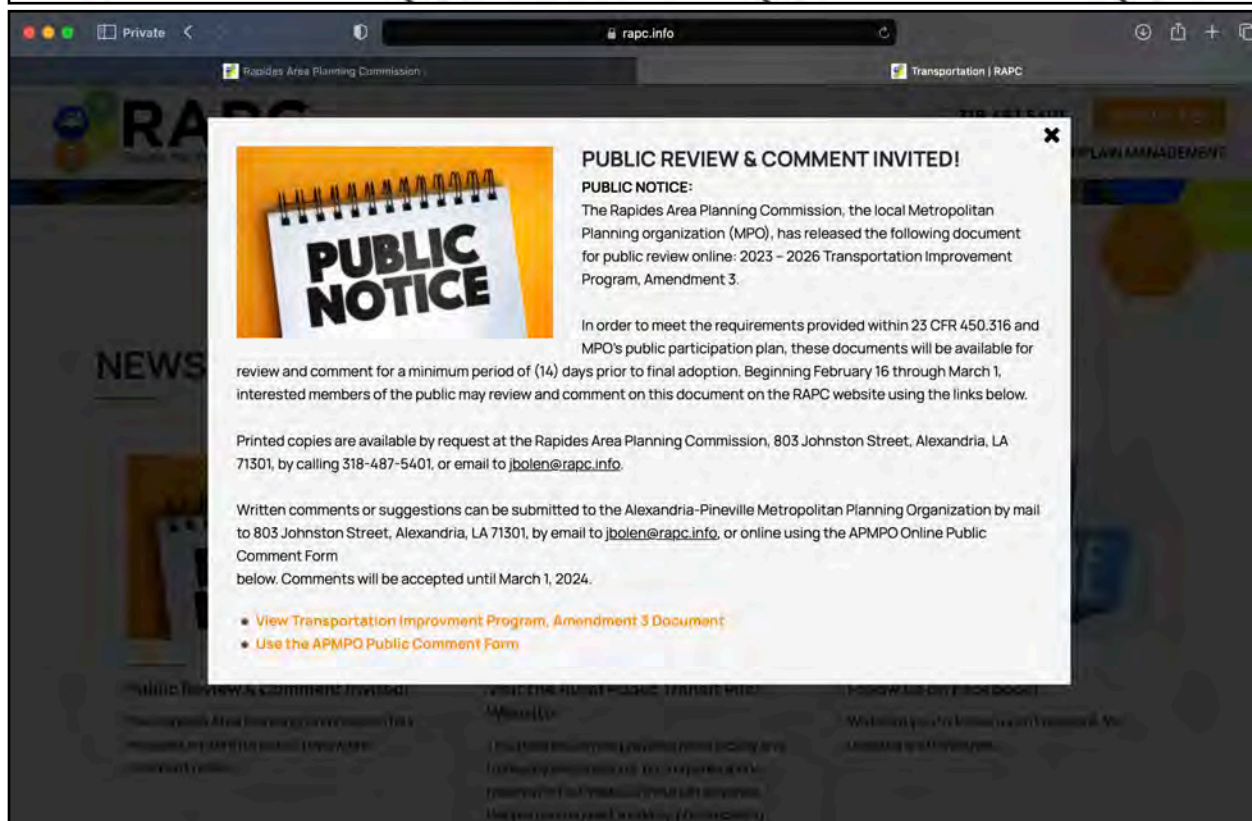

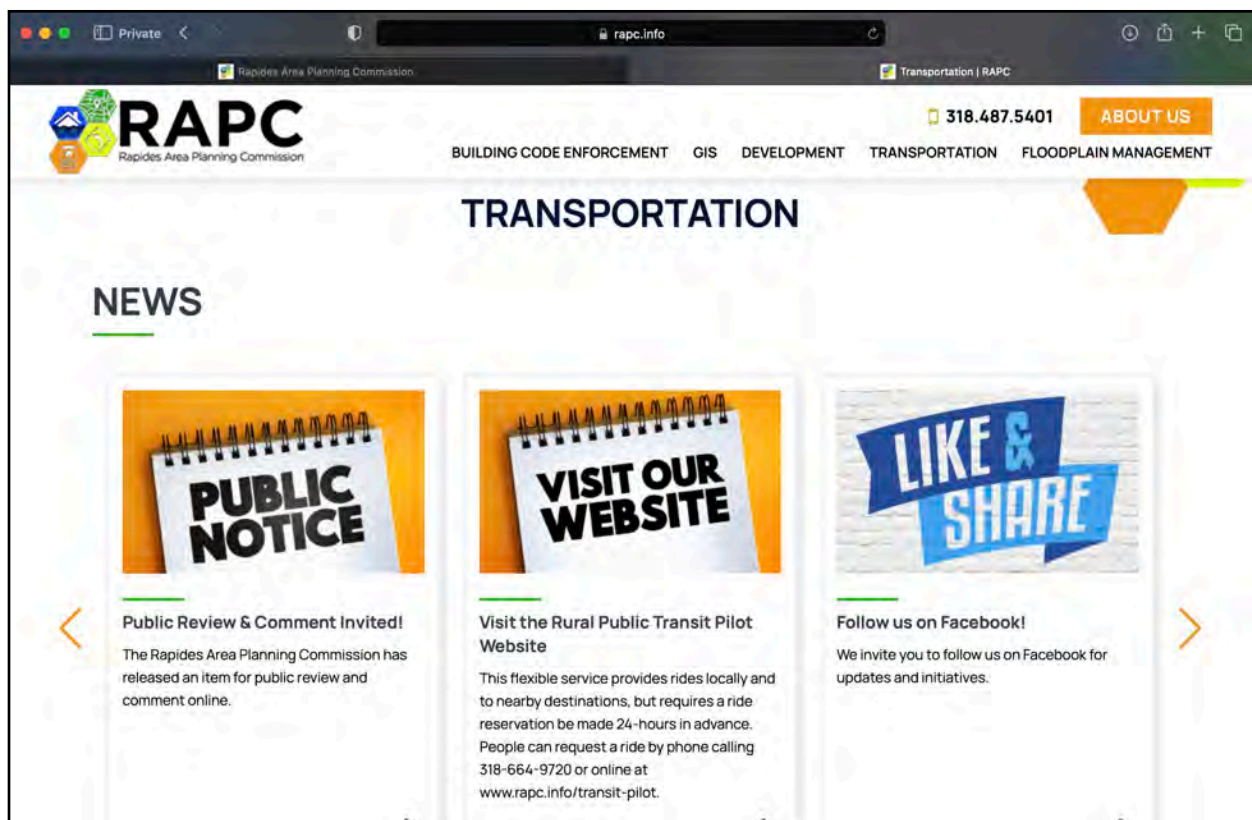

Public Comments

A 14-day public comment period is planned February 16 - March 1, 2024.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

RAPC Public Comment Notice, Materials, Public Comment Form

Public comment notice and materials on www.rapc.info and www.rapc.info/transportation for public review and comment period February 16 - March 1, 2024. Published to website until March 2, 2024.

[March 2023](#)

By JIM BUTLER

If you're among the thousands who use U.S. Hwy. 167 (Military Highway), Pineville, everyday, the Rapides Area Planning Commission has good news for you.

The Commission's Transportation Planning Committee is receiving public comment until Friday on its proposal to advance the timetable for a roundabout at the Pinecrest State School intersection.

The shift targets construction in federal FY 25-26 (year begins October 1, 2025).

The amendment schedules \$2.45 million total, with an 80/20 cost share with the City of Pineville.

The bad news, if that's a fair label, is the roundabout swaps places with improvement just down the highway at Edgewood Drive.

The TPC proposes the amendment on the basis of changing priority need.

The other proposed plan change is to add a planning phase for the carbon reduction program outreach and strategy plan to the current fiscal year projects, at an estimated cost of \$200,000.

Several recent modifications to the TIP do not require formal committee action. They include:

Reconstruction of Foisy street, Alexandria, down its shake, rattle and roll route from Monroe to DeSoto, shifted from current fiscal year to next; Masonic Drive, Alexandria, safety improvements construction moved from current FY to next; Vandenburg Drive,

Alexandria, construction moved to next FY; City of Alexandria asphalt rehab Phase III, technical/title changes; Town of Ball intersection improvements, shift construction phase from FY 24-25 to 25-26; Buhlow Central Greenway, move construction from financially constrained TIP to FY 26-27 (moved to advance Pinecrest roundabout on priority basis); Moved Edgewood Drive project to 26-27.

Comments on the amendment can be made in writing to 803 Johnson, Alexandria, by e-mail to jbolen@rapc.info or on the RAPC website.

Public Comments Received	MPO Response
1 (02/27/24) I have just read the following text in the RAPIDES Parish Journal: The bad news, if that's a fair label, is the roundabout swaps places with improvement just down the highway at Edgewood Drive. Where/how can I find out what the planned improvement for Edgewood Drive will be? I live on Edgewood and want to know what's in store for me.	(02/27/24) Improvements for both intersections were developed at the same time by DOTD. The intersection improvement at LA 3144 (Edgewood) is still in the program, however the improvement at the Pinecrest intersection was identified as having a higher need and therefore moved ahead. We're also pursuing funding from other sources (outside our program) to implement improvements at both intersections at the same time as one project. As requested, I've attached a PDF copy of the proposed improvement at the intersection of US 165 BUS (Military Highway) and LA 3144 (Edgewood Drive).
2 (02/27/24) Please, please get that roundabout at the Pinecrest road ASAP.	N/A

Technical Advisory Committee (TAC) Meeting	Tuesday, May 28 10:00 AM	803 Johnston Street, Alexandria, LA 71301	The TAC is scheduled to make a formal recommendation on the proposed amendment at this meeting.
Transportation Policy Committee (TPC) Meeting	Wednesday, June 5 10:00 AM	803 Johnston Street, Alexandria, LA 71301 And Online Meeting	The TPC is scheduled to take formal action on the proposed amendment at this meeting, pending public comment. There is an opportunity for public comment at this meeting, under the standing Public Comments agenda item.

Background

Alexandria-Pineville Metropolitan Planning Organization (APMPO) is responsible for multi-modal transportation planning and investment decision-making inside the Alexandria-Pineville metro area and anticipates, forecasts and plans for the transportation needs of today, tomorrow and the future. It does not to fund, design, build, or operate transportation systems.

The APMPO's Transportation Improvement Program (TIP) is an on-going program that assigns funding to specific highway, road, bridge, transit, bicycle, pedestrian, and other regionally significant transportation projects. Inclusion in the TIP is federally required before any federal funds can be made available for use on a project. The current TIP covers projects that are expected to be active during the Federal Fiscal Years (FFY) 2023 through 2026. The complete project list and additional project information can be found in the current TIP document located on the APMPO's website at, www.rapc.info/transportation.

The four-year transit portion of the TIP helps support the continued operation along existing transit routes and the overall efficiency of the Alexandria Transit (ATRANS) system. However, the cost benefit ratio of expanding fixed routes within the metropolitan area remains prohibitive. The TIP also makes provisions for preventive maintenance, vehicle and facility replacement, as well as equipment purchases.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 4

Summary of Changes

Amendments

Regular opportunities are provided to project sponsors to request changes during the project development process. Requests for new projects or requests for significant changes to scope or cost are considered as formal Amendments and require formal approval by the APMPO Transportation Policy Committee (TPC).

Amendment (formal action required)

TIP Section	Project Name	Change
Highway	<u>H.XXXXXX</u> Vandenburg Drive	Modify Construction Phase from \$605,000 to \$1,134,994 in FFY 2024-2025 and move to FFY 2025-2026. Project cost increase and move due to expanded project scope and anticipated letting date.
Highway	<u>H.XXXXXX</u> Metropolitan Transportation Plan Update 2050	Add Planning Phase at \$540,000 in STP50-200K 50/50 and SPR 50/50 to FFY 2024 - 2025. The MTP update must occur every 5-years before the current plan (MTP 2045) expires.
Highway	<u>H.XXXXXX</u> Jackson Street	Modify Construction Phase from \$1,815,000 to \$3,300,000 in FFY 2024 - 2025 to FFY 2025 - 2026 due to project cost increase from preliminary cost estimate. DOTD to provide 20% local match funds with COA as LPA.
Highway	<u>H.XXXXXX</u> Buhlow Central Greenway Planning	Move Construction Phase from FY23-24 outside financially constrained TIP to FY27-28; MPO staff pursuing other funds to implement project sooner.
Highway	<u>H.XXXXXX</u> LA 28E Safety Improvements	Move Construction Phase from FY24-25 outside financially constrained TIP to FY30-31; Staff pursuing project funding through state's Transportation Alternatives Program (TAP) to implement project sooner.
Highway	<u>H.011942</u> US 165: Roundabout at Pinecrest	Modify Construction Phase from \$2,415,000 to \$3,719,000 in FY25-26. Project cost increase due to inflation.
Highway	<u>H.XXXXXX</u> Town of Ball Intersection Improvements	Modify Construction Phase from \$220,000 to \$1,300,000 at 80/20 and move outside financially constrained TIP to FY29-30. Project cost increase due to inflation and scope. DOTD will provide 20% local matching funds. MPO staff pursuing other funds to implement project sooner.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 4

TIP Section	Project Name	Change
Highway	H.011942 US 165: Roundabout at Pinecrest	Modify \$2,415,000 Construction Phase from \$2,415,000 to \$3,719,100 at 80/20; move from STP50-200K program to non-STP50-200K in FY25-26; sponsored by DOTD. Project cost increase due to inflation and scope. Project under design and fully funded under Access Management using STPFLEX and NHPP funds.
Transit	<u>11.7A.00</u> Preventative Maintenance	Modify preventative maintenance from \$100,000 in FTA 5307 Capital at 80/20 to \$50,000 at 50/50 in FY23-24, FY24-25, & FY25-26.
Transit	<u>11.30.01</u> 1% Security Capital Bus	Modify Section from 5307 Capital to 5307 Operating for FY22-23, FY23-24, FY24-25, FY25-26; Modify 1% security capital bus amount from \$15,000 in FTA 5307 at 80/20 to \$30,000 in FTA 5307 at 50/50 in FY22-23, FY23-24, and FY25-26; Modify from \$15,000 in FTA 5307 at 80/20 to \$15,000 in FTA 5307 at 50/50 in FY24-25.
Transit	<u>11.20.20</u> Replace One 30-35' Bus	Remove from TIP FY23-24, FY24-25, & FY25-26. ATRANS intends to replace three 30-35' buses through FTA 5339 Competitive Grant Program in FY24-25.
Transit	<u>11.20.20</u> Replace Three 30-35' Buses	Add Replace Three (3x) 30-35' Buses for \$1,150,00 in FTA 5339 Competitive Grant Funds at 85/15 in FY24-25.
Transit	<u>30.09.00</u> Operating Assistance	Modify Operating Assistance from \$1,500,000 in FY22-23, FY23-24, FY24-25, and FY25-26 to \$2,970,000 in FY22-23; to \$2,613,200 in FY23-24; to \$2,737,162 in FY24-25; and to \$2,920,000 in FTA 5307 at 50/50. Change result from true-up of original estimate. Additional funds added from remaining balance of operating funds from prior FFY.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 4

Administrative Modifications

Administrative modifications are requested changes that include activities like small adjustments in the cost estimate or schedule. Administrative modifications were processed by staff between March 1 and May 28, 2024, are included in the table below.

Administrative Modification (does not require formal action)

Project Name		Change
Highway	<u>L.000062</u> Motorist Assistance Patrol (MAP)	Modify Implementation Phase amount from \$673,217 to \$807,860 in STP50-200K at 80/20 in FY23-24, FY24-25, FY25-26. New contract costs estimated to increase by 20%; mostly because of inflation (5 years from the unit prices of the current contract and 5 years projected of the next contract.
Highway	<u>H.015633</u> City of Alexandria Street Improvements - Phase III (Overlay)	Move Construction Phase from FY25-26 to FY24-25 due to new anticipate letting date.
Highway	<u>H.XXXXXX</u> Camp Livingston Road Improvements	Add Construction Phase at \$1,300,000 in STP50-200K at 80/20 in FY2027-2028. Project includes overlay of existing roadway and safety improvements along Camp Livingston Road between US 165 and Paradise Road. DOTD will provide local 20% match with TOB as LPA.
Highway	<u>H.015476</u> City of Alexandria Foisy Street: Monroe to Desoto	Move Construction Phase from FFY2024-2025 to FFY2025 to 2026 to anticipate new letting date.
Highway	<u>H.XXXXXX</u> City of Alexandria Masonic Drive Safety Improvements	Modify Construction Phase from \$280,000 to \$390,000 in STP50-200K at 80/20; Stage 0 under development.
Highway	<u>H.008271</u> City of Alexandria Sugarhouse Road Extension	Move construction phase from FFY2026-2027 to FFY2027-2028 due to new anticipated letting date.
Highway	<u>H.XXXXXX</u> Carbon Reduction Strategy & Outreach Plan	Modify planning phase from \$200,000 to \$250,000 at 80/20 STP50-200K in FFY2024 - 2025; RAPC to provide local matching funds.
Transit	<u>11.42.11</u> Acquire Support Vehicles	Modify acquisition of support vehicles from \$107,552 in FTA 5307 Capital at 80/20 to \$107,552 at 85/15 in FY24-25
Transit	<u>11.12.15</u> Replace Two Minivans	Modify replace two minivans from \$150,000 in FTA 5307 Capital at 80/20 to \$170,000 at 85/15 in FY24-25.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 4

Overall

Highway Element

A number of projects programmed in the TIP (Jackson Street, Elliot Street, Pinecrest Roundabout, Vandenberg Drive) have increased substantially due to inflation or modification of scope. As proposed, Amendment No. 4 decreases the total number of road projects programmed from 17 to 12 and overall STP50-200K investment from \$15,409,333 to \$14,449,515. Due to project cost increases, scope changes and new anticipated letting dates, staff proposes moving several projects outside the current FFY 2023 - 2026 TIP to ensure it remains financially constrained. Projects moved outside the financially constrained portion of the TIP may be funded under another program or moved back into the TIP at the discretion of the TPC, subject to available funding. Staff pursuing funding for local road safety improvements under the state's Highway Safety Improvement Program.

ROAD TIP INVESTMENT (STP50-200K + Local Match)	Amendment 1	Amendment 2	Amendment 3 (Current)	Amendment 4
Total 4-Year Program	\$13,458,533	\$15,570,533	\$15,409,333	\$14,449,515
Average / FFY	\$3,364,633	\$3,892,633	\$3,852,333	\$3,624,879
Safety	16.60%	24.40%	22.30%	10.4%
Pavement / Bridge	49.30%	45.60%	47.50%	48.4%

Transit Element

As proposed, Amendment No. 4 increases total TIP transit investment (FTA 5307 + FTA. 5339) 56%. It maintains TIP FTA 5307 investment in transit facilities and security projects but reduces investment in preventative maintenance, shop equipment, and rolling stock. Transit operating assistance increases 23% with addition of unspent FTA 5307 operating funds from prior federal fiscal year. The reduction in FTA 5307 rolling stock investment results from the replacement of three separate projects each replacing one 30-35' bus using FTA 5307 funds with one project to replace three 30-35' buses using FTA 5339 funds.

TRANSIT TIP INVESTMENT (FTA 5307 Only)	Rolling Stock	Facilities	Preventative Maintenance	Operations	Equipment	TOTAL INVESTMENT (fed+local)
Current	19%	3%	4%	68%	5%	\$8,807,506
Amendment 4	3%	3%	2%	89%	4%	\$12,632,904

TOTAL TRANSIT TIP INVESTMENT (FTA 5307 + FTA 5339)	Rolling Stock	Facilities	Preventative Maintenance	Operations	Equipment	TOTAL INVESTMENT (fed+local)
Amendment 4	11%	2%	2%	82%	3%	\$13,782,904

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 4

TIP FY 2023 - 2026 NON-STP50-200K SECTION

[illegible]

2023 - 2026

TRANSPORTATION IMPROVEMENT PROGRAM

Amendment No. 4

APMPO staff worked extensively with regional planning partners, including Alexandria Transit (ATRANS) and the Louisiana Department of Transportation and Development (DOTD), as well as all of our member jurisdictions. In advance of this amendment, APMPO coordinated with DOTD and alerted project sponsors to necessary project changes. APMPO worked closely with representatives of our planning partners and member jurisdictions to review particular projects. APMPO staff also engaged with the Transportation Policy Committee and Technical Advisory Committee on this amendment.

Public Comments

A 14-day public comment period is planned May 15 - May 29, 2024.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

May 15, 2024

PUBLIC COMMENT INVITED:

The Rapides Area Planning Commission, the local Metropolitan Planning Organization (MPO), has released the following document for public review online:

- *2023 – 2026 Transportation Improvement Program, Amendment 4 (Proposed)*
- *FY25 Unified Planning Work Program (Draft)*

In order to meet the requirements provided within 23 CFR 450.316 and MPO's public participation plan, these documents will be available for review and comment for a minimum period of (14) days prior to final adoption.

Beginning May 15 through May 31, interested members of the public may review and comment on this document on the RAPC website, www.rapc.info/transportation.

Printed copies are available by request at the Rapides Area Planning Commission, 803 Johnston Street, Alexandria, LA 71301, by calling 318-487-5401, or email to jbolen@rapc.info.

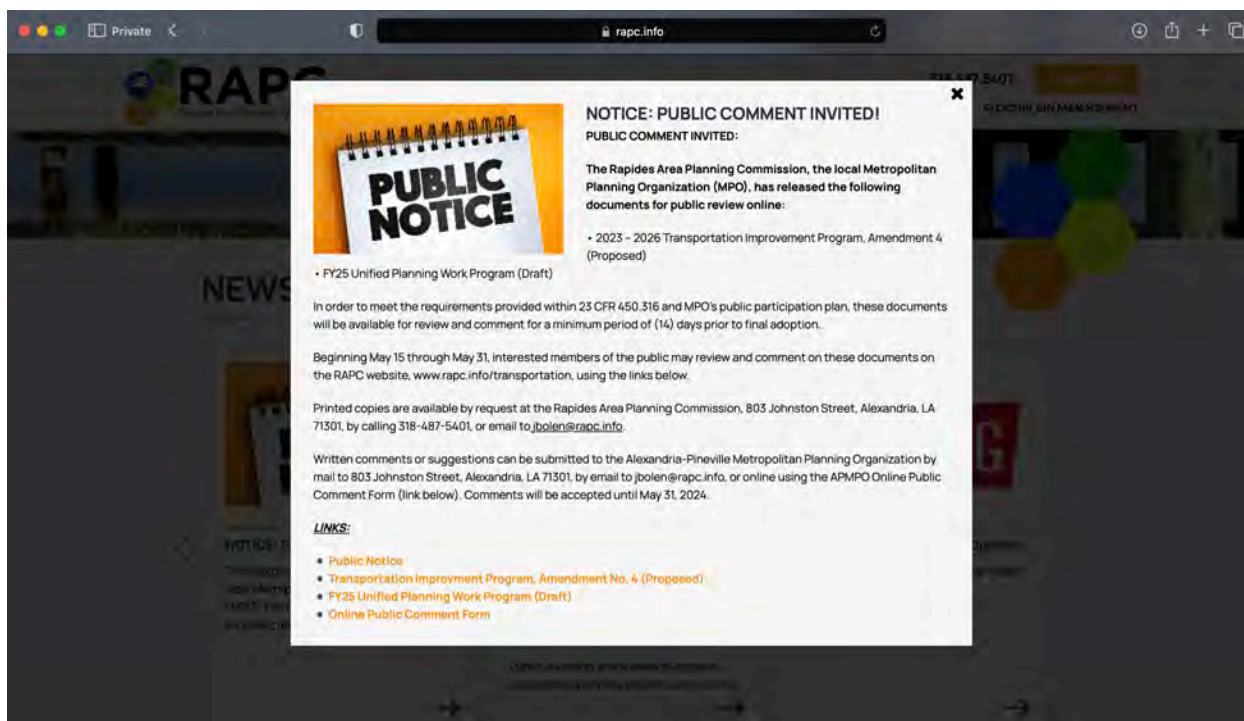

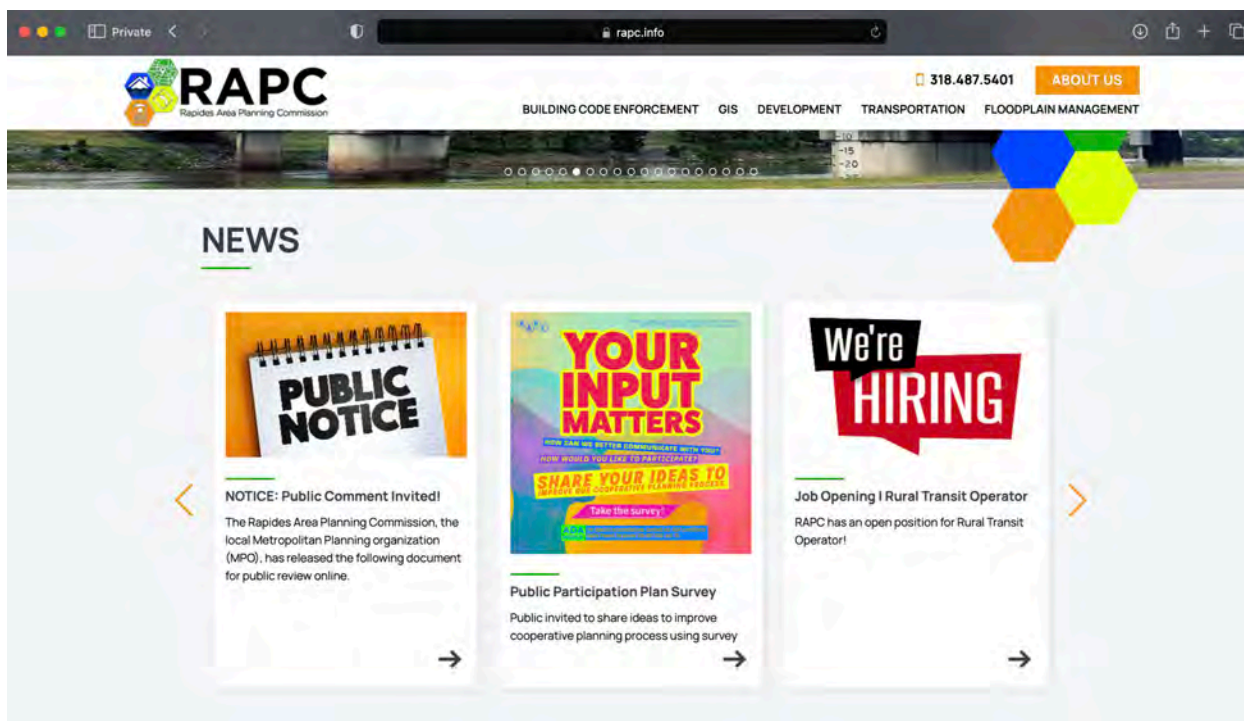

Written comments or suggestions can be submitted to the Alexandria-Pineville Metropolitan Planning Organization by mail to 803 Johnston Street, Alexandria, LA 71301, by email to jbolen@rapc.info, or online using the [APMPO Online Public Comment Form](#) on our website. Comments will be accepted until May 31, 2024.

ADA Notice:

The Rapides Area Planning Commission does not discriminate on the basis of disability in its programs, services, activities and employment practices.

Upon request, this notice is also available in alternative formats. If you need auxiliary aids and services for effective communication (such as a sign language interpreter, an assistive listening device or print material in digital format) or reasonable modification to programs, services or activities contact the ADA Coordinator, via phone 318-487-5401 as soon as possible, preferably 3 days before the end of the comment period.

RAPC Public Comment Notice, Materials, Public Comment Form

Public comment notice and materials published to the Alexandria Daily Town Talk and on www.rapc.info and www.rapc.info/transportation for public review and comment period May 15 - May 29, 2024. Published to website from May 13 until May 31, 2024. No public comments were received by the MPO as of June 10, 2024. MPO awaiting public affidavit of publication from Town Talk as of June 10, 2024.

Public Review & Comment Schedule

ACTIVITY	DATE	LOCATION	PURPOSE
Technical Advisory Committee (TAC) Meeting	Wednesday, November 6 10:00 AM	803 Johnston Street, Alexandria, LA 71301	The TAC is scheduled to make a formal recommendation on the proposed amendment at this meeting.
Public Review & Comment Period	November 12 thru December 2	Electronic Review: www.rapc.info Hard copy documents available on request at the Rapides Area Planning Commission	The general public, partners and stakeholders will have an opportunity to review and comment on the proposed amendment. Comments will be accepted in writing and online using the public comment form. Please email comments to: jbolen@rapc.info
Transportation Policy Committee (TPC) Meeting	Wednesday, December 4 10:00 AM	803 Johnston Street, Alexandria, LA 71301 And Online (Zoom)	The TPC is scheduled to take formal action on the proposed amendment at this meeting, pending public comment. There is an opportunity for public comment at this meeting, under the standing Public Comments agenda item.

Background

Alexandria-Pineville Metropolitan Planning Organization (APMPO) is responsible for multi-modal transportation planning and investment decision-making inside the Alexandria-Pineville metro area and anticipates, forecasts and plans for the transportation needs of today, tomorrow and the future. It does not to fund, design, build, or operate transportation systems.

The APMPO's Transportation Improvement Program (TIP) is an on-going program that assigns funding to specific highway, road, bridge, transit, bicycle, pedestrian, and other regionally significant transportation projects. Inclusion in the TIP is federally required before any federal funds can be made available for use on a project. The current TIP covers projects that are expected to be active during the Federal Fiscal Years (FFY) 2023 through 2026.

The complete project list and additional project information can be found in the current TIP document located on the APMPO's website at, www.rapc.info/transportation.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 5

Summary of Changes

Amendments

Regular opportunities are provided to project sponsors to request changes during the project development process. Requests for new projects or requests for significant changes to scope or cost are considered as formal Amendments and require formal approval by the APMPO Transportation Policy Committee (TPC).

Amendment (formal action required)

TIP Section	Project Name	Change
Highway	H.016197 LA 1208-3: JACKSON STREET REHABILITATION	Update H.XXXXXX Jackson Street project title to H.016197 1208-3: Jackson Street Rehabilitation; move outside to FFY 2027.
Highway	H.016203 ENGLAND AIRPARK ROADWAY IMPROVEMENTS	Update H.XXXXXX Vandenburg Drive Road Improvements project title to H.016202 England Airpark Roadway Improvements in FFY 2026; Modify Construction Phase from \$1,134,994 to \$1,248,501 of STP50-200K at 80/20 in FFY 2026.
Highway	H.016252 MASONIC DRIVE: TEXAS AVE - LEE ST	Update H.XXXXXX Masonic Drive Safety Improvements project title to H.016252 Masonic Drive: Texas Ave-Lee St of STP50-200K at 80/20 in FFY 2025
Highway	H.015633 COA ASPHALTIC REHAB - PHASE III	Modify H.015633 COA Asphaltic Rehab- Phase III Construction Phase from \$3,575,000 to \$3,080,000 of STP50-200K at 80/20 in FFY 2026.
Highway	H.XXXXXX MPA AERIAL PHOTOGRAPHY	Add MPA Aerial Photography for \$70,000 of STP50-200K Funding at 80/20 to FFY2025.
Highway	H.XXXXXX Metropolitan Transportation Plan Update	Modify project amount from \$540,000 of STP50-200K funding at 80/20 to \$600,000 of STP50-200K funding at 80/20 in FFY2025.
Highway	H.016272 RAPC CRP PLANNING STUDY	Update H.XXXXXX CRP Outreach & Strategy Plan project title to H.016272 RAPC CRP Planning Study; move from FFY2024 to FFY2025.
Transit	H.XXXXXX CONSOLIDATED TRANSIT VEHICLE INSPECTION & TRAINING CENTER	Add Consolidated Transit Vehicle Inspection & Training Center for \$480,000 of FTA ICAM 2024 Competitive Grant Fund Award at 80/20 to FFY2025.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 5

Overall

Highway Element

Costs for projects programmed in the current TIP have increased due to inflation or modification of scope. As a result, the current TIP is over programmed and no longer financially-constrained.

The TAC proposed moving the LA 1208-3: JACKSON STREET REHABILITATION project outside the current TIP from FFY2026 to FFY2027 to ensure it remains financially constrained. Projects moved outside the financially constrained portion of the TIP may be funded under another program or moved back into the TIP at the discretion of the TPC, subject to available funding.

As proposed, Amendment No. 5 maintains the total number of projects programmed in the TIP (13) to be authorized between federal fiscal years (FFY) 2023 and 2026 and reduces programmed STP50-200K investment from \$13,136,257 to \$10,576,257.

HIGHWAY TIP INVESTMENT (FHWA - STP50-200K)	TIP ALLOCATION (BASELINE)	CURRENT TIP	Amendment 5 (PROPOSED)
Total 4-Year Program	\$11,200,000	\$13,136,257	\$10,576,257
Average / FFY	\$2,800,000	\$3,284,064	\$2,644,064
Safety	20%	19%	19%
Pavement / Bridge	75%	77%	76%
Planning	5%	4%	6%

Transit Element

As proposed, Amendment No. 5 increases overall TIP transit investment (FTA 5307 + FTA. 5339 + ICAM) 3.48%. It increased total TIP FTA 5307 investment in transit facilities by 4% and maintains current investment in rolling stock, preventative maintenance, and equipment.

TOTAL TRANSIT TIP INVESTMENT (FTA 5307 + FTA 5339 + ICAM)	Rolling Stock	Facilities	Preventative Maintenance	Operations	Equipment	TOTAL INVESTMENT (fed+local)
Current	11%	2%	2%	82%	3%	\$13,782,904
Amendment 5	11%	6%	2%	79%	3%	\$14,262,904

2023 - 2026

TRANSPORTATION IMPROVEMENT PROGRAM

Amendment No. 5

Partner & Stakeholder Consultation

APMPO staff worked extensively with regional planning partners, including Alexandria Transit (ATRANS) and the Louisiana Department of Transportation and Development (DOTD), as well as all of our member jurisdictions. In advance of this amendment, APMPO coordinated with DOTD and alerted project sponsors to necessary project changes. APMPO worked closely with representatives of our planning partners and member jurisdictions to review particular projects. APMPO staff also engaged with the Transportation Policy Committee and Technical Advisory Committee on this amendment.

Public Comments

A minimum 14-day public comment period is planned November 12 - December 2, 2024.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

**NOTICE: Items for
Public Review &
Comment**

The Rapides Area Planning Commission, the local Metropolitan Planning Organization (MPO), has released the Transportation Improvement Program - Amendment No. 6, FY2025-26 Unified Annual Work Program, and Public Participation Plan, 2025 Update documents for public review and comment online.

In order to meet requirements provided within 23 CFR 450.316, the TIP Amendment No. 6 and the FY2025-26 UPWP documents will be available for review and comment for a minimum period of fourteen (14) days prior to final adoption. Beginning May 9 through May 25, interested members of the public may review and comment on the TIP Amendment No. 6 and FY2025-26 UPWP documents on the RAPC website, www.rapc.info/transportation.

The Public Participation Plan update will be available for public review and comment for forty-five (45) days on the RAPC website, www.rapc.info/transportation, beginning May 9 through June 25.

Printed copies are available by request at the Rapides Area Planning Commission, 803 Johnston Street, Alexandria, LA 71301, by calling 318-487-5401.

Written comments or suggestions can be submitted to the Alexandria-Pineville Metropolitan Planning Organization by mail to 803 Johnston Street, Alexandria, LA 71301, by email to ibolen@rapc.info, or online using the APMPO Online Public Comment Form on our website. Comments will be accepted on the TIP Amendment No. 6 and FY2025-26 UPWP until May 25, 2025 and on the Public Participation Plan update until June 25, 2025.

ADA Notice:

The Rapides Area Planning Commission does not discriminate on the basis of disability in its programs, services, activities and employment practices.

Upon request, this notice is also available in alternative formats. If you need auxiliary aids and services for effective communication (such as a sign language interpreter, an assistive listening device or print material in digital format) or reasonable modification to programs, services or activities contact the ADA Coordinator, via phone 318-487-5401 as soon as possible, preferably 3 days before the end of the comment period.

Public Review & Comment Schedule

ACTIVITY	DATE	LOCATION	PURPOSE
Technical Advisory Committee (TAC) Meeting	Wednesday, May 7 10:00 AM	803 Johnston Street, Alexandria, LA 71301	The TAC is scheduled to make a formal recommendation on the proposed amendment at this meeting.
Public Review & Comment Period	May 9 thru May 25	Electronic Review: www.rapc.info Hard copy documents available on request at the Rapides Area Planning Commission	The general public, partners and stakeholders will have an opportunity to review and comment on the proposed amendment. Comments will be accepted in writing and online using the public comment form. Please email comments to: jbolen@rapc.info
Transportation Policy Committee (TPC) Meeting	Wednesday, June 11 10:00 AM	803 Johnston Street, Alexandria, LA 71301 And Online (Zoom)	The TPC is scheduled to take formal action on the proposed amendment at this meeting, pending public comment. There is an opportunity for public comment at this meeting, under the standing Public Comments agenda item.

Background

Alexandria-Pineville Metropolitan Planning Organization (APMPO) is responsible for multi-modal transportation planning and investment decision-making inside the Alexandria-Pineville metro area and anticipates, forecasts and plans for the transportation needs of today, tomorrow and the future. It does not to fund, design, build, or operate transportation systems.

The APMPO's Transportation Improvement Program (TIP) is an on-going program that assigns funding to specific highway, road, bridge, transit, bicycle, pedestrian, and other regionally significant transportation projects. Inclusion in the TIP is federally required before any federal funds can be made available for use on a project. The current TIP covers projects that are expected to be active during the Federal Fiscal Years (FFY) 2023 through 2026.

The complete project list and additional project information can be found in the current TIP document located on the APMPO's website at, www.rapc.info/transportation.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 6

Summary of Changes

Amendments

Regular opportunities are provided to project sponsors to request changes during the project development process. Requests for new projects or requests for significant changes to scope or cost are considered as formal Amendments and require formal approval by the APMPO Transportation Policy Committee (TPC).

Amendment (formal action required)

TIP Section	Project Name	Change
Highway	H.011960 DISTRICT 08 CONTROLLER UPGRADES	Remove H.011960 District 08 Controller Updates project construction phase from non-STP50-200K TIP FFY2026; project being cancelled.
Highway	H..015476 COA FOISY STREET RECONSTRUCTION: MONROE TO DESOTO	Move construction phase from FFY2025 outside FFY23-26 TIP to FFY2027 due to changes in anticipated project authorization and letting date.
Highway	H.972574 METROPOLITAN TRANSPORTATION PLAN UPDATE	Change H.XXXXXX Metropolitan Transportation Plan Update project title to H.972574 Metropolitan Transportation Plan Update in FFY 2025

Administrative Modifications

Administrative modifications are requested changes that include activities like small adjustments in the cost estimate or schedule. Administrative modifications were processed by staff between February 1 and May 1, 2025, are included in the table below.

Administrative Modification (does not require formal action)

	Project Name	Change
Highway	H.XXXXXX LA 28E SAFETY IMPROVEMENTS	Remove H.XXXXXX LA 28E Safety Improvements Project construction phase from TIP FFY2027. Project implementation pursued under Highway Safety Improvement Program. Stage 0 under development by DOTD and Pineville Engineer.
Highway	L.000062 MOTORIST ASSISTANCE PATROL	Update L.000062 Motorist Assistance Patrol amount from \$555,430.04 to \$605,924 in TIP FFY2025; from \$606,924 to \$605,924 in TIP FFY2026, FFY2027, and FFY2028
Highway	H.015633 COA ASPHALTIC REHAB - PHASE III	Move H.015633 COA Asphaltic Rehab- Phase III Construction Phase from FFY2025 to FFY2026.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 6

Overall

Highway Element

As proposed, Amendment No. 6 reduces the total number of projects programmed in the TIP to be authorized between federal fiscal years (FFY) 2023 and 2026 by one (Foisy Street project moved to FFY2027) and reduces programmed STP50-200K investment from 10,576,257 to \$8,034,324.

The maximum threshold permitted by DOTD for federal surface transportation program funding (STP50-200K) is \$3.5M per FFY - some overage allowable, subject to DOTD. The current TIP has total of \$4,697,864 of STP funding programmed in FFY2025 and \$3.7M in FFY2026. The proposed amendment (No. 6) would reduce the total STP funding programmed to \$2,032,617 in TIP FFY2025.

HIGHWAY TIP INVESTMENT (FHWA - STP50-200K)	TIP ALLOCATION (BASELINE)	CURRENT TIP	Amendment 6 (PROPOSED)
Total 4-Year Program	\$11,200,000	\$10,576,257	\$8,034,324
Average / FFY	\$2,800,000	\$2,644,064	\$2,008,581
	% DISTRIBUTION OF TIP FUNDS		
Safety	20%	19%	24%
Pavement / Bridge	75%	75%	68%

TRANSPORTATION IMPROVEMENT PROGRAM

Amendment No. 6

Partner & Stakeholder Consultation

APMPO staff worked extensively with regional planning partners, including Alexandria Transit (ATRANS) and the Louisiana Department of Transportation and Development (DOTD), as well as all of our member jurisdictions. In advance of this amendment, APMPO coordinated with DOTD and alerted project sponsors to necessary project changes. APMPO worked closely with representatives of our planning partners and member jurisdictions to review particular projects. APMPO staff also engaged with the Transportation Policy Committee and Technical Advisory Committee on this amendment.

Public Comments

A minimum 14-day public comment period is planned May **9** - May **25**, 2025.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

December 5, 2025

PUBLIC COMMENT INVITED:

The Rapides Area Planning Commission, the local Metropolitan Planning Organization (MPO), has released the following document for public review online:

- *2023 – 2026 Transportation Improvement Program, Amendment 7*

In order to meet the requirements provided within 23 CFR 450.316 and MPO's public participation plan, these documents will be available for review and comment for a minimum period of (14) days prior to final adoption. This is the second public review and comment period. Both items were readvertised for an additional public review and comment period.

Beginning December 5 through December 19, interested members of the public may review and comment on this document on the RAPC website, www.rapc.info/transportation.

Printed copies are available by request at the Rapides Area Planning Commission, 803 Johnston Street, Alexandria, LA 71301, by calling 318-487-5401, or email to jbolen@rapc.info.

Written comments or suggestions can be submitted to the Alexandria-Pineville Metropolitan Planning Organization by mail to 803 Johnston Street, Alexandria, LA 71301, by email to jbolen@rapc.info, or online using the [APMPO Online Public Comment Form](#) on our website. Comments will be accepted in writing until December 19, 2025.

ADA Notice:

The Rapides Area Planning Commission does not discriminate on the basis of disability in its programs, services, activities and employment practices.

Upon request, this notice is also available in alternative formats. If you need auxiliary aids and services for effective communication (such as a sign language interpreter, an assistive listening device or print material in digital format) or reasonable modification to programs, services or activities contact the ADA Coordinator, via phone 318-487-5401 as soon as possible, preferably 3 days before the end of the comment period.

Background

Alexandria-Pineville Metropolitan Planning Organization (APMPO) is responsible for multi-modal transportation planning and investment decision-making inside the Alexandria-Pineville metro area and anticipates, forecasts and plans for the transportation needs of today, tomorrow and the future. It does not to fund, design, build, or operate transportation systems.

The APMPO's Transportation Improvement Program (TIP) is an on-going program that assigns funding to specific highway, road, bridge, transit, bicycle, pedestrian, and other regionally significant transportation projects. Inclusion in the TIP is federally required before any federal funds can be made available for use on a project. The current TIP covers projects that are expected to be active during the Federal Fiscal Years (FFY) 2023 through 2026.

The four-year transit portion of the TIP helps support the continued operation along existing transit routes and the overall efficiency of the Alexandria Transit (ATRANS) system. However, the cost benefit ratio of expanding fixed routes within the metropolitan area remains prohibitive. The TIP also makes provisions for preventive maintenance, vehicle and facility replacement, as well as equipment purchases.

The complete project list and additional project information can be found in the current TIP document located on the APMPO's website at, www.rapc.info/transportation.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 7

Summary of Changes

Amendments

Regular opportunities are provided to project sponsors to request changes during the project development process. Requests for new projects or requests for significant changes to scope or cost are considered as formal Amendments and require formal approval by the APMPO Transportation Policy Committee (TPC).

Amendment (formal action required)

TIP Section	Project Name	Change
Highway	H.015859 LA 1208-1 SIDEWALK IMPROVEMENTS	Add Utility Relocation Phase of \$160,000 of STPFLEX at 80/20 in FFY2026. Change Construction Phase amount from \$1.62M of STPFLEX at 80/20 in FFY2025 to \$2.1M of STPFLEX at 80/20 in FFY2026. Requested by DOTD.
Highway	H.015312 JONES STREET PAVEMENT REHABILITATION	Move Construction Phase at \$1.3M of STP50-200K at 80/20 from FFY2025 to FFY2027. Scoping change led to cost increase and delayed anticipated letting date.
Highway	H.972574 METROPOLITAN TRANSPORTATION PLAN UPDATE	Change Planning Phase from \$600,000 of STP50-200K at 80/20 in FFY2025 to \$800,000 of STP50-200K at 80/20 in FFY2025.
Highway	H.015633 COA ASPHALTIC REHAB - PHASE III	Move Construction Phase from FFY2026 to FFY2028; delayed due to additional project construction costs to \$3.5M, requiring scope modifications to remain in budget for STP50-200K funding.
Transit	<u>11.7A.00</u> PREVENTATIVE MAINTENANCE	Change Preventative Maintenance from \$50,000 of FTA 5307 Operating at 50/50 in FFY2025 and FFY2026 to \$100,000 of FTA 5307 Capital at 80/20 in FFY2025 and \$119,216 at 80/20 of FTA Capital in FFY2026. Requested by Atrans due to increase in parts and maintenance costs.
Transit	<u>11.20.20</u> REPLACE THREE 30-35' BUSES	Remove 'Replace Three (3x) 30-35' Buses' for \$1,150,00 in FTA 5339 Competitive Grant Funds at 85/15 in FY24-25. Requested by ATRANS, decided not to pursue vehicle replacement during FFY2025.
Transit	<u>11.42.11</u> ACQUIRE SUPPORT VEHICLES	Change 'Acquire Support Vehicles' from \$107,552 at 85/15 of FTA 5307 Capital to \$161,995 at 100/0 of ARP 5307 Capital in FFY 2025.
Transit	<u>11.30.01</u> 1% SECURITY CAPTIAL BUS	Change '1% Security Captial Bus' from \$15,000 at 50/50 of FTA 5307 Captial to \$30,000 at 50/50 of FTA 5307 Captial in FFY 2025.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 7

Administrative Modifications

Administrative modifications are requested changes that include activities like small adjustments in the cost estimate or schedule. Administrative modifications were processed by staff between June and November 2025, are included in the table below.

Administrative Modifications (no formal action required)

TIP Section	Project Name	Change
Highway	H.016203 ENGLAND AIRPARK ROADWAY IMPROVEMENTS	Change Construction Phase from \$1.13M of STP50-200K at 80/20 in FFY2026 to \$1.72M of STP50-200K at 80/20 in FFY2026.
Highway	H.XXXXXX MPA AERIAL PHOTOGRAPHY	Move project Implementation Phase from FFY2025 to FFY2026.
Highway	H.016252 MASONIC DRIVE: TEXAS AVE TO LEE ST	Move Construction Phase from FFY2025 to FFY2026 due to delayed plan development review.
Transit	<u>11.62.03</u> UPGRADE RADIOS	Move 'Upgrade Radios' from FFY2023 to FFY 2026 at \$40,000 at 80/20 of FTA 5307 Capital.
Transit	<u>11.12.15</u> REPLACE TWO MINIVANS	Change 'Replace (Two) Minivans' amount from \$170,000 at 85/15 of 5307 Capital to \$176,850 at 85/15 of FTA Capital in FFY 2025
Transit	<u>30.09.00</u> OPERATING ASSISTANCE	Change Operating Assistance from \$2,970,000 to \$2,948,340 of FTA Operating at 50/50 in FFY2023; change from \$2,613,200 to \$2,683,752 of FTA Operating at 50/50 in FFY2024; change from \$2,737,162 to \$2,788,054 of FTA Operating at 50/50 in FFY2025; and change from \$2,920,000 to \$2,860,744 of FTA Operating at 50/50 in FFY2026. Additional funding sources from prior FFY unspent funding FFY2022.

Overall

Highway Element

As state law (LA Act No. 380, effective August 1, 2025) now directs that DOTD deliver at least 90% of programmed projects, only projects within the allotted funding amount and have a reasonable expectation of delivery should be programmed. As a result, the MPO is limited to a maximum amount of \$3M of STP50-200K per federal fiscal year (FFY) of the 4-year TIP. Remaining funding each FFY cannot roll over to the next or be retroactively programmed. There is no limit to the amount of local matching funds each FFY.

Costs for projects programmed in the current TIP FFY 2025 have increased due to inflation or scope modification resulting in delay and rescheduling. Currently, TIP FFY 2026 is over-programmed by \$1,280,562 and no longer financially-constrained. As proposed, Amendment No. 7 restores financial constraint in FFY 2026 by reducing the total STP50-200K funding from \$4,280,562 to \$2,614.962 in FFY2026. It also reduces the number of highway projects programmed in the 4-year TIP to be authorized between FFY 2023 and FFY 2026 and overall TIP STP50-200K investment from \$8,034,324 to \$5,648,622.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 7

HIGHWAY TIP INVESTMENT (FHWA - STP50-200K)	TIP ALLOCATION (BASELINE)	CURRENT TIP	Amendment 7 (PROPOSED)
Total 4-Year Program	\$11,200,000	\$8,034,324	\$5,648,622
Average / FFY	\$2,800,000	\$2,008,581	\$1,412,156
Safety	20%	24%	42%
Pavement / Bridge	75%	68%	58%
Planning	5%	8%	13%

Transit Element

As proposed, Amendment No. 7 ensures the Transit Element of the TIP is financially constrained by adjusting operating assistance amounts specified in federal fiscal years (FFY) 2023, 2024, 2025, and 2026. It maintains TIP FTA 5307 investment in transit facilities and increases total investment in security projects and preventative maintenance. The Replacement of three 30-35' buses under the FTA 5339 competitive grant program was not pursued since existing rolling stock is currently in a state of good repair and proposed to be removed from FFY2025.

FED TRANSIT TIP INVESTMENT (FTA 5307 + 5340)	TIP ALLOCATION (BASELINE)	CURRENT TIP	Amendment 7 (PROPOSED)
Total 4-Year Program	\$ 5,755,885	\$ 6,615,592	\$ 6,869,127
Average / FFY	\$ 1,438,971	\$ 1,653,898	\$ 1,717,282

TOTAL TRANSIT INVESTMENT (5307 + 5340 + ICAM + ARP 5307)	Operations	Rolling Stock	Facilities	Maintenance*	Equipment	Security
Total [FED + LOCAL] \$	\$11,280,890	\$388,845	\$804,990	\$349,216	\$415,000	\$120,000
% Total Investment	85%	3%	6%	3%	3%	1%
FED FTA Share \$	\$5,640,445	\$312,318	\$643,992	\$240,373	\$332,000	\$60,000
% FED FTA Share	50%	92%	80%	69%	80%	50%

- * Preventative Maintenance cost split 50/50 federal and local in FFY2023 and FFY2024 and split 80/20 in FFY 2025 and FFY2026. Federal share for Support Vehicles increased to 100% under American Rescue Plan 5307 program (ARP 5307) in FFY2025.

2023 - 2026
TRANSPORTATION IMPROVEMENT PROGRAM
Amendment No. 7

Partner & Stakeholder Consultation

APMPO staff worked extensively with regional planning partners, including Alexandria Transit (ATRANS) and the Louisiana Department of Transportation and Development (DOTD), as well as all of our member jurisdictions. In advance of this amendment, APMPO coordinated with DOTD and alerted project sponsors to necessary project changes. APMPO worked closely with representatives of our planning partners and member jurisdictions to review particular projects. APMPO staff also engaged with the Transportation Policy Committee and Technical Advisory Committee on this amendment.

Public Comments

A minimum 14-day public comment period is planned December 5 - December 19, 2025.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

PROPOSED CHANGE UNDER AMENDMENT 7

Highway Element as Proposed by Amendment No. 7 - STP50-200K

[illegible]

Highway Element as Proposed by Amendment No. 7 - DOTD (Non-STP50-200K)

Notice Summary Cover Sheet

Item	Documentation
Project/Action	TIP Amendment 7
Public Comment Period	December 4 – 19, 2025
Notice Posted Date	December 4, 2025
Methods Used	Website, Email Lists (300+ recipients), Social Media (FB), Press Release to 10 outlets
PPP Section Referenced	TIP Public Participation Process Section
Responsible Staff	Planner III
Comments Received	1 written
Certification	Notice consistent with adopted PPP

Public notice was provided in accordance with the RAPC Public Participation Plan adopted on June 30, 2025, specifically TIP Public Participation Process Section, which requires notice via website posting, email notification to interested parties, and notification to local media outlets at least 14 days prior to action.

Appendix A | Public Participation Certification FFY2023-2027 TIP Amendment No. 7

The Rapides Area Planning Commission (RAPC), serving as the Metropolitan Planning Organization (MPO) for the Alexandria–Pineville metropolitan area, certifies that public notice and opportunity for public involvement related to the adoption of Amendment No. 7 to the MPO's FFY2023-2026 Transportation Improvement Program were conducted in accordance with the RAPC Public Participation Plan and the requirements of 23 CFR 450.316.

Public notice titled "Public Comment Invited" was issued on December 4, 2025, and provided a minimum 14-day public review and comment period, consistent with federal and adopted MPO procedures. The notice announced RAPC's intent to support and adopt the Louisiana Department of Transportation and Development's (LADOTD) statewide HSIP safety performance measures and targets through amendment of the Alexandria–Pineville MPO Metropolitan Transportation Plan.

The public notice was published online on the RAPC transportation planning webpage at www.rapc.info/transportation, ensuring reasonable public access to information and providing interested parties an opportunity to review and comment on the proposed action. In addition, printed copies were made available upon request, and written comments were accepted electronically, by mail, and through the online public comment form through December 19, 2025.

Consistent with the RAPC Public Participation Plan, a notification email announcing the public review and comment period was distributed to all members of the local media included in the RAPC media contact database to promote broad public awareness.

No written public comments were received by MPO staff during the public review and comment period. Accordingly, no revisions to the proposed HSIP safety performance targets or associated MTP amendment were required prior to final action.

RAPC certifies that the public participation process satisfied federal metropolitan transportation planning requirements and provided a reasonable opportunity for public review and input.

Matt Johns, AICP

PUBLIC COMMENT INVITED:

The Rapides Area Planning Commission, the local Metropolitan Planning Organization (MPO), has released the following document for public review online:

- 2023 – 2026 Transportation Improvement Program, Amendment 7

In order to meet the requirements provided within 23 CFR 450.316 and MPO's public participation plan, these documents will be available for review and comment for a minimum period of (14) days prior to final adoption. This is the second public review and comment period. Both items were readvertised for an additional public review and comment period.

Beginning December 5 through December 19, interested members of the public may review and comment on this document on the RAPC website, www.rapc.info/transportation.

Printed copies are available by request at the Rapides Area Planning Commission, 803 Johnston Street, Alexandria, LA 71301, by calling 318-487-5401, or email to jbolen@rapc.info.

AP-MPO TIP Amendment 7 | Public Comments Submitted

Public Comment Period: December 5 -19, 2025

Date Received	Subject	Comment	Action
5-Dec-25	Other	IF THE MONEY FOR FUNDING COMES FROM THE UTILITY BILLS, THEN THERE SHOULD BE ENOUGH FUNDS TO HAVE THE BUSES RUN FREQUENTLY. NOT EVERYONE HAS A CAR OR ACCESS TO ONE. THE BUSES SHOULD ALSO RUN EVERY 30 MINUTES INSTEAD OF AN HOUR AND THERE SHOULD BE MORE ACCESSIBILITY FOR SENIOR CITIZENS AND DISABLED PERSONS	No action required since comment not changes proposed as part of TIP Amendment 7. Current people & job density per acre inside the Atrans service area only able to sustain hourly fixed route transit service. MPO cannot comment on COA Utility Funding. Awareness regarding available ATRANS paratransit service needs to be increased.

📌 **Your Tax Dollars Are Being Decided Without You** 📌

Tomorrow at 1:30 PM on Let's Talk Show, we're talking with Jonathan Bolen from the Rapides Area Planning Commission about federal transportation money that can be spent right here in our community.

RAPC is taking public comments on the 2023–2026 Transportation Improvement Program (TIP) Amendment 8. This plan helps decide where government transportation dollars go: roads, sidewalks, traffic safety, drainage, and other projects in the Alexandria–Pineville area.

Here's the truth:
If residents don't speak up, the money still gets spent, just without your voice.

This is one of the few times regular people can influence how federal dollars land in their neighborhoods.

The public comment period is open through February 19, 2026.

Tomorrow, we'll break it down in plain language:

- What money is available
- What projects are on the table
- How to comment and be counted

📍 Join us live at 1:30 PM

Appendix A | Public Participation Certification

FFY2023-2027 TIP Amendment No. 8

AP-MPO TIP Amendment 8 Public Comments Submitted				Public Comment Period: January 27 -February 19, 2026	
Date Received	Method	Subject	Comment Summary	MPO Response	Incorporated?
1/27/26	MPO Facebook	Infrastructure Investment & Drainage Resiliency	DISTRICT 3 RESIDENTS COULD GREATLY BENEFIT FROM THESE INFRASTRUCTURE DOLLARS — INCLUDING COVERED DITCHES, IMPROVED SIDEWALKS, BETTER DRAINAGE, AND SOLUTIONS FOR LOW-LYING AREAS. OVER THE LAST DECADE, VERY LITTLE INFRASTRUCTURE INVESTMENT HAS BEEN MADE IN DISTRICT 3, AND THIS PROCESS IS A CHANCE TO PUSH FOR LONG-OVERDUE IMPROVEMENTS.	No action required - comment not about proposed project changes included in TIP Amendment 8.	NO
1/27/26	MPO Facebook	Infrastructure Implementation Challenges	A MAJOR OBSTACLE ANY GOVERNMENT FACES IS TO MAKE MAJOR INFRASTRUCTURE IMPROVEMENTS WITH RESIDENTS IN PLACE. HOW WOULD THE DRAINAGE NEEDED BE PUT IN PLACE WITHOUT A MAJOR RELOCATION PLAN? THE DECLINE IN D3 GOES BACK FURTHER THAN TEN YEARS. CURRENT COUNCILMAN AT LARGE JULES GREEN SAT FOR 8 YEARS AND SCORED A ZERO ON IMPROVEMENT OTHER THAN THE MONEY THAT WENT INTO FRANK HUNTER PARK. WHAT HAS BEEN THE ROI ON THAT FOR THE AREA? PROPERTY VALUES ARE ON A DECLINE. NO GROCERY OR RETAIL STORES IN THE AREA OTHER THAN DOLLAR GENERAL.	No action required - comment not about proposed project changes included in TIP Amendment 8.	NO
1/27/26	MPO Facebook	Road Maintenance	TWO THINGS THAT I WOULD LIKE TO SEE WITH TAXPAYERS MONEY IS. FOR THE ROAD ON BARRETT STREET IN PINEVILLE TO BE REDONE AND THE SECOND THING IS THAT. IF YOU LIVE IN CITY LIMITS OF EITHER PINEVILLE OR ALEXANDRIA THAT IT SHOULD BE THE CITY'S RESPONSIBILITY TO PROVIDE THOSE BLUE GARBAGE CANS. AS A RESIDENCE, I HAVE SEEN THE GARBAGE PEOPLE THROW PEOPLE'S GARBAGE CANS AND NOT GIVE A CRAP SO WITH THAT BEING SAID, I THINK IT SHOULD BE THE CITY'S	No action required since comment not changes proposed as part of TIP Amendment 8. Federal funding is available for eligible road/transit improvements subject to prescribed application and regulations - also subject to available local matching funds required (usually 20%) to match federal funding.	NO
1/27/26	MPO Facebook	Funding Restrictions & Constraints	FEDERAL DOLLARS ARE MOSTLY EARMARKED FOR CERTAIN "PROJECTS" THAT AREN'T NEGOTIABLE. GET WHAT YOU GET AND DON'T PITCH A FIT.	No action required - comment not about proposed project changes included in TIP Amendment 8. Federal funding is available for eligible road/transit improvements subject to prescribed application and regulations - also subject to available local matching funds required (usually 20%) to match federal funding.	NO
1/27/26	MPO Facebook	VRU improvements	JACKSON STREET BETWEEN MACARTHUR AND TEXAS!!	No action required - comment not about proposed project changes included in TIP Amendment 8. Road improvements (overlays/panel repair/replacements) are included in the Jackson Street (MacArthur Drive to Red River) project included in TIP FFY2027-2030.	NO
1/28/26	MPO Facebook	Phased Construction in Built Environments; Disinvestment & Capital Programming; Public Engagement & Advocacy	INFRASTRUCTURE WORK IN OCCUPIED NEIGHBORHOODS HAPPENS ALL THE TIME. DRAINAGE DOESN'T AUTOMATICALLY MEAN MASS RELOCATION. COVERED DITCHES, CULVERTS, EASEMENTS, AND PHASED CONSTRUCTION ARE STANDARD TOOLS WHEN A DISTRICT IS ACTUALLY PRIORITIZED.	No action required - comment not about proposed project changes included in TIP Amendment 8.	NO
1/28/26	MPO Facebook	Long-term Capital Maintenance, Accountability	YOU'RE RIGHT THE DECLINE DIDN'T START 10 YEARS AGO. IT'S BEEN DECADES OF DISINVESTMENT. THAT MAKES THE LAST DECADE EVEN MORE INEXCUSABLE.	No action required - comment not about proposed project changes included in TIP Amendment 8.	NO
1/28/26	MPO Facebook	VRU improvements	AS FOR ROI: IF FRANK O HUNTER PARK WAS THE BIG WIN, WHERE ARE THE RESULTS? PROPERTY VALUES ARE DOWN. NO GROCERY STORE. NO REAL RETAIL. THAT'S NOT RETURN, THAT'S STAGNATION.	No action required - comment not about proposed project changes included in TIP Amendment 8. Sidewalk improvements (ADA ramps / repairs) are included in the Jackson Street (MacArthur Drive to Red River) project included in TIP FFY2027-2030.	NO
1/28/26	MPO Facebook	Public Trust & Oversight	THIS ISN'T ABOUT HISTORY LESSONS OR FINGER POINTING. IT'S ABOUT FINALLY DIRECTING FEDERAL INFRASTRUCTURE DOLLARS TO A DISTRICT THAT'S BEEN SKIPPED FOR TOO LONG.	No action required - comment not about proposed project changes included in TIP Amendment 8.	NO

The Rapides Area Planning Commission, the local Metropolitan Planning Organization (MPO), has released the following document for public review online:

- *2023 – 2026 Transportation Improvement Program, Amendment 9*
- *2027 – 2030 Transportation Improvement Program, DRAFT*
- *2026 – 2027 Unified Planning Work Program, DRAFT*

In order to meet the requirements provided within 23 CFR 450.316 and MPO's public participation plan, these documents will be available for review and comment for a minimum period of (14) days prior to final adoption. This is the second public review and comment period. Both items were readvertised for an additional public review and comment period.

Beginning April 22 through May 6, interested members of the public may review and comment on this document on the RAPC website, www.rapc.info/transportation.

Printed copies are available by request at the Rapides Area Planning Commission, 803 Johnston Street, Alexandria, LA 71301, by calling 318-487-5401, or email to jbolen@rapc.info.

Written comments or suggestions can be submitted to the Alexandria-Pineville Metropolitan Planning Organization by mail to 803 Johnston Street, Alexandria, LA 71301, by email to jbolen@rapc.info, or online using the [APMPO Online Public Comment Form](#) on our website. Comments will be accepted in writing until May 6, 2026.

ADA Notice:

The Rapides Area Planning Commission does not discriminate on the basis of disability in its programs, services, activities and employment practices.

Upon request, this notice is also available in alternative formats. If you need auxiliary aids and services for effective communication (such as a sign language interpreter, an assistive listening device or print material in digital format) or reasonable modification to programs, services or activities contact the ADA Coordinator, via phone 318-487-5401 as soon as possible, preferably 3 days before the end of the comment period.

Public Notice on RAPC Transportation Website's Public Notice Section
(www.rapc.info/transportation)

The image shows two screenshots of the RAPC Transportation website. The top screenshot displays the 'PUBLIC NOTICES' section with five items for public review and comment, including 'NOTICE: Items for Public Review and Comment_Q2_2026', 'NOTICE: CRP Project Selection Criteria Public Feedback Report', 'NOTICE: Alexandria-Pineville MPO Launches Metropolitan Transportation Plan Update', 'NOTICE: RAPC Launches Interactive - Map It Tool', and 'NOTICE: MPO Transportation Policy Committee Meeting'. Below this is the 'ABOUT THE APMPO' section, which describes the Alexandria-Pineville Metropolitan Planning Organization (APMPO) and its role in transportation planning. The bottom screenshot shows a 'NEW ITEMS FOR PUBLIC REVIEW & COMMENT' banner with a 'COMMENTS INVITED!' graphic. It lists the '2023 - 2026 Transportation Improvement Program, Amendment 9' and the '2027 - 2030 Transportation Improvement Program, DRAFT' for public review. It also provides links to the online public review and comment form and mentions that printed copies are available by request at the RAPC office.

ABOUT THE APMPO

The Alexandria-Pineville Metropolitan Planning Organization (APMPO), staffed by the RAPC, partners with the State of Louisiana, Rapides Parish, and municipal governments to comprehensively plan for federally funded or regionally significant transportation systems inside the Alexandria-Pineville metropolitan planning area. This vital and important role in our community helps the metro area compete at the federal level for public dollars for transportation in our community.

APMPO is responsible for multi-modal transportation planning and investment decision-making inside the Alexandria-Pineville metro area. It does not fund, design, build, or operate transportation systems. It also anticipates, forecasts and plans for the transportation needs of today, tomorrow and the future. The

Public Review & Comment Schedule

ACTIVITY	DATE	LOCATION	PURPOSE
Public Review & Comment Period	June 26 - July 10, 2026	Electronic Review: www.rapc.info Hard copy documents available on request at the Rapides Area Planning Commission	The general public, partners and stakeholders will have an opportunity to review and comment on the proposed amendment. Comments will be accepted in writing and online using the public comment form. Please email comments to: jmcbride@rapc.info
Transportation Policy Committee (TPC) Meeting	To Be Announced	803 Johnston Street, Alexandria, LA 71301 And Online (Zoom)	The Transportation Policy Committee (TPC) is scheduled to consider and take formal action on the proposed amendment following the close of the required public review and comment period. Members of the public will also have an opportunity to provide comments at the meeting under the standing Public Comments agenda item.

Background

Alexandria-Pineville Metropolitan Planning Organization (APMPO) is responsible for multi-modal transportation planning and investment decision-making inside the Alexandria-Pineville metro area and anticipates, forecasts and plans for the transportation needs of today, tomorrow and the future. It does not to fund, design, build, or operate transportation systems.

The APMPO's Transportation Improvement Program (TIP) is an ongoing program that assigns funding to specific highway, road, bridge, transit, bicycle, pedestrian, and other regionally significant transportation projects. Inclusion in the TIP is federally required before any federal funds can be made available for use on a project. The current TIP covers projects that are expected to be active during the Federal Fiscal Years (FFY) 2023 through 2026.

The complete project list and additional project information can be found in the current TIP document located on the APMPO's website at, www.rapc.info/transportation.

Summary of Changes

Amendment

Regular opportunities are provided to project sponsors to request changes during the project development process. Requests for new projects or requests for significant changes to scope or cost are considered as formal Amendments and require formal approval by the APMPO Transportation Policy Committee (TPC).

Amendment (formal action required)

TIP Section	Project Name	Change
Highway	H.016757 RAPC AERIAL PHOTOGRAPHY 2026	Remove the Construction phase and associated funding; add a Feasibility phase of \$75,000 (STP50-200K at an 80/20 match) in FFY 2026; update the project type to "RAPC Aerial Photography"; and add Control Section 000-40.

Overall

Highway Element

The RAPC Aerial Photography 2026 Project (State Project H.016757) requires an amendment to the Transportation Improvement Program to revise the programmed project phase.

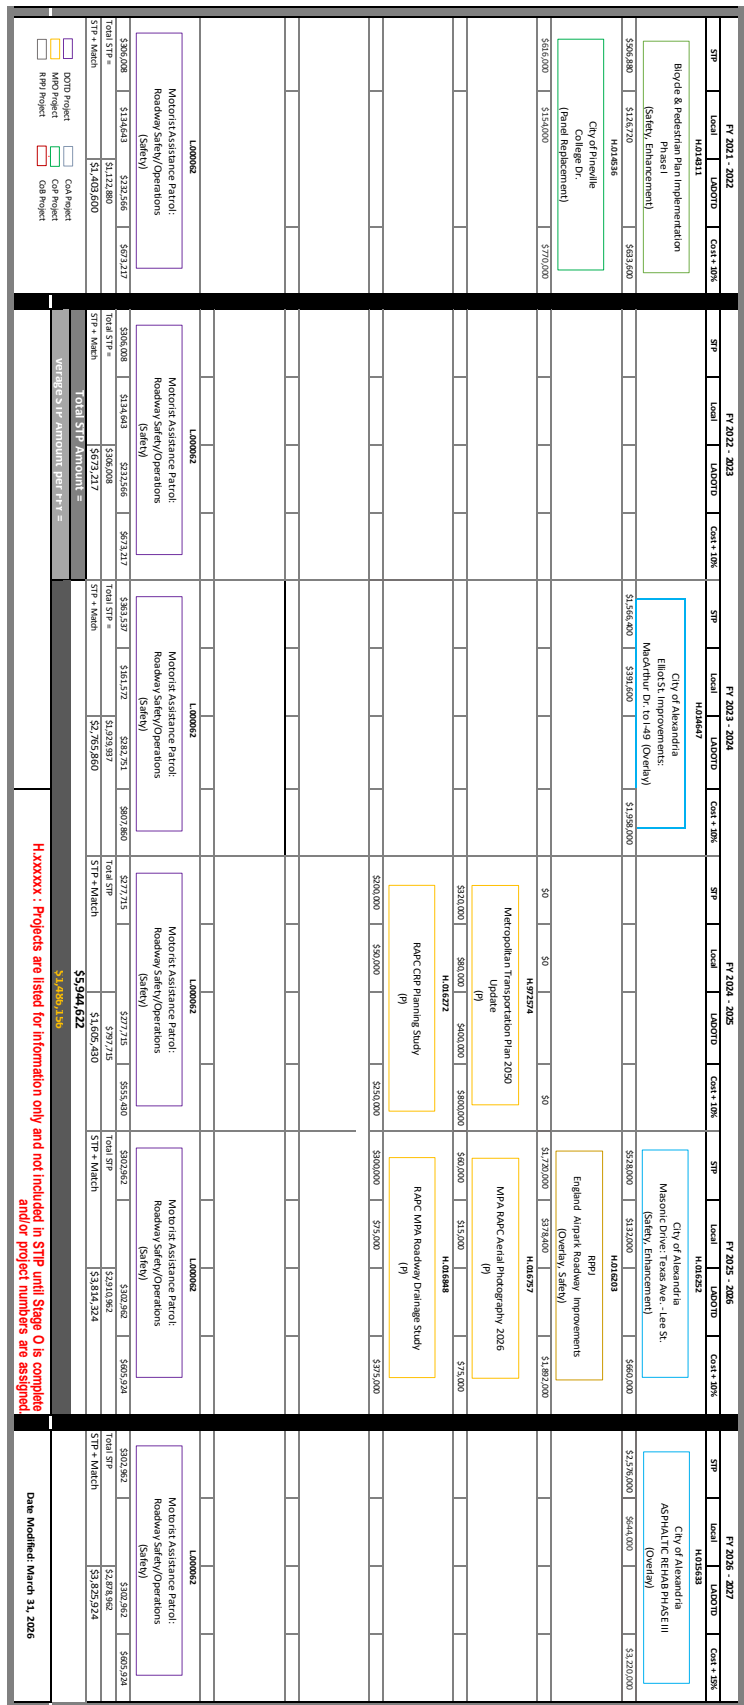

This amendment removes the programmed Construction phase and associated funding and replaces it with a Feasibility phase funded through the Surface Transportation Block Grant (STP50-200K) Program.

The amendment updates the project information to accurately reflect the project's scope and programming.

The proposed amendment does not add a new project, increase the total amount of federal funding programmed in the TIP, or increase the total number of projects included in the FFY 2023–2026 Transportation Improvement Program.

HIGHWAY TIP INVESTMENT (FHWA - STP50-200K)	TIP ALLOCATION (BASELINE)	CURRENT TIP	Amendment 10 (PROPOSED)
Total 4-Year Program	\$11,200,000	\$5,944,622	\$5,944,622
Average / FFY	\$2,800,000	\$1,411,156	\$1,411,156
Safety	20%	37%	37%
Pavement / Bridge	75%	63%	63%
Planning	5%	15%	15%

Highway Element (Proposed)
STP50-200K

Total Cost	\$75,000.00	\$75,000.00	\$60,000.00			

Partner & Stakeholder Consultation

APMPO staff worked extensively with regional planning partners, including Alexandria Transit (ATRANS) and the Louisiana Department of Transportation and Development (DOTD), as well as all of our member jurisdictions. In advance of this amendment, APMPO coordinated with DOTD and alerted project sponsors to necessary project changes. APMPO worked closely with representatives of our planning partners and member jurisdictions to review particular projects. APMPO staff also engaged with the Transportation Policy Committee and Technical Advisory Committee on this amendment.

Public Comments

A 14-day public review and comment period will be conducted from June 26 through July 10, 2026.

Written comments may be submitted by email, mail, or through the online public comment form available on the RAPC website.

All comments received during the public comment period will be provided to the Transportation Policy Committee prior to its consideration of Amendment No. 10.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

Staff Recommendation

Staff recommends approval of Amendment No. 10 to the FFY 2023–2026 Transportation Improvement Program and adoption of the accompanying resolution.

Appendix A | Public Participation Certification

FFY 2023-2027 Transportation Improvement Program (TIP)

Amendment No. 10

The Rapides Area Planning Commission (RAPC), serving as the Metropolitan Planning Organization (MPO) for the Alexandria-Pineville Metropolitan Planning Area, certifies that public notice and opportunity for public involvement related to the adoption of FFY 2023-2027 Transportation Improvement Program (TIP) Amendment No. 10 were conducted in accordance with the RAPC Public Participation Plan and the public participation requirements of 23 CFR 450.316.

A public notice titled "Public Comment Invited – FFY 2023-2027 TIP Amendment No. 10" was issued on June 26, 2026, initiating a public review and comment period through July 10, 2026, consistent with the RAPC Public Participation Plan.

The notice informed the public of the proposed amendment, which:

- Changes the programmed phase for the RAPC Aerial Photography 2026 Project (State Project H.016757) from Construction to Feasibility.
- Programs \$75,000 in STP50-200K funds (80% Federal / 20% Local Match) during FFY 2026.
- Updates the project description and type.
- Adds Control Section 000-40.

The public notice was published on the RAPC Transportation website, distributed through RAPC's Mailchimp email subscription service, posted on the RAPC MPO Facebook page, and provided to local media outlets included in the RAPC media contact list. Copies of the amendment were available upon request, and written comments were accepted by email, mail, and through RAPC's website during the public comment period.

No written public comments were received during the public review period. Accordingly, no revisions to the proposed amendment were required prior to adoption.

RAPC certifies that the public participation process satisfied federal metropolitan transportation planning requirements and provided the public with a reasonable opportunity to review and comment on the proposed amendment.

Matt Johns, AICP
Chief Executive Officer
Rapides Area Planning Commission

June 26, 2026

Public Review and Comment Period

The Rapides Area Planning Commission (RAPC), serving as the Metropolitan Planning Organization (MPO) for the Alexandria-Pineville Metropolitan Planning Area, invites the public to review and comment on the following proposed transportation planning document:

FFY 2023–2026 Transportation Improvement Program (TIP), Amendment No. 10

Purpose of the Amendment

The proposed amendment revises the programmed phase and funding for the **RAPC Aerial Photography 2026 project, State Project H.016757**. Specifically, Amendment No. 10 proposes to remove the Construction phase and associated funding and add a Feasibility phase in the amount of \$75,000, funded with STP50-200K funds at an 80/20 federal/local match in FFY 2026. The amendment also updates the project information to reflect **Type Improvement: RAPC Aerial Photography and Control Section 000-40**.

This amendment does not add a new project or increase the total amount of federal funding programmed in the Transportation Improvement Program. It only revises the programmed phase and project information for an existing project.

In accordance with 23 CFR 450.316 and the Alexandria-Pineville Metropolitan Planning Organization's Public Participation Plan, the proposed amendment will be available for public review and comment for a minimum period of **fourteen (14) days**.

The public comment period will begin on **June 26, 2026**, and continue through **July 10, 2026**.

Review the Proposed Amendment

The proposed amendment may be reviewed online at: www.rapc.info/transportation

Printed copies are also available upon request at:

 ****PUBLIC COMMENT INVITED****

The Rapides Area Planning Commission (RAPC), serving as the Alexandria–Pineville Metropolitan Planning Organization (APMPO), invites the public to review and comment on the proposed ****FFY 2023–2026 Transportation Improvement Program (TIP) Amendment No. 10****.

What is Amendment No. 10?

Amendment No. 10 proposes updates to the ****RAPC Aerial Photography 2026 Project (State Project H.016757)**** to better reflect the project's current stage of development.

The proposed amendment would:

- Change the programmed project phase from ****Construction**** to ****Feasibility****.
- * Program ****\$75,000**** for the Feasibility phase using ****STP50-200K**** funds with an ****80% federal / 20% local**** funding match in ****Federal Fiscal Year 2026****.
- * Update the project type to ****RAPC Aerial Photography****.
- * Add ****Control Section 000-40**** to properly identify the project within the Louisiana Department of Transportation and Development's project management system.

****This amendment does not add a new project, increase the total amount of federal funding programmed in the TIP, or change the total number of projects in the FFY 2023–2026 Transportation Improvement Program.**** It updates the project information to accurately reflect the project's scope and programming.

 ****Public Comment Period:****
****June 26, 2026 – July 10, 2026****

The Public Comment Notice, Amendment Summary, and supporting documents are available for review at:

 ****[www.rapc.info/transportation](<http://www.rapc.info/transportation>)****

Submit Written Comments

 ****Email:**** jmcbride@rapc.info (<mailto:jmcbride@rapc.info>)

 ****Mail:****
Jae McBride, Chief Transportation Officer
Rapides Area Planning Commission
803 Johnston Street
Alexandria, LA 71301

Written comments must be received by ****July 10, 2026****.

We appreciate your participation and encourage the public to review the proposed amendment and share any comments during the public review period. **See less**

Public Comment Invited

The Rapides Area Planning Commission (RAPC), serving as the Alexandria–Pineville Metropolitan Planning Organization (APMPO), invites the public to review and comment on the proposed **FFY 2023–2026 Transportation Improvement Program (TIP) Amendment No. 10**.

What is Amendment No. 10?

The proposed amendment updates the **RAPC Aerial Photography 2026 Project (State Project H.016757)** to reflect the project's current phase of development. Specifically, Amendment No. 10 proposes to:

- Remove the programmed **Construction** phase and associated funding.
- Add a **Feasibility** phase in the amount of **\$75,000**, funded through the **Surface Transportation Block Grant (STP50-200K)** Program using an **80% federal / 20% local** funding match for Federal Fiscal Year 2026.
- Update the project type to **RAPC Aerial Photography**.
- Add **Control Section 000-40** to accurately identify the project within the Louisiana Department of Transportation and Development (DOTD) project system.

The proposed amendment does not add a new project, increase the total amount of federal funding programmed in the TIP, or increase the total number of projects included in the FFY 2023–2026 Transportation Improvement Program.

Public Comment Period

June 26, 2026 – July 10, 2026

Public Review & Comment Schedule

ACTIVITY	DATE	LOCATION	PURPOSE
Public Review & Comment Period	June 30 - July 14, 2026	Electronic Review: www.rapc.info Hard copy documents available on request at the Rapides Area Planning Commission	The general public, partners and stakeholders will have an opportunity to review and comment on the proposed amendment. Comments will be accepted in writing and online using the public comment form. Please email comments to: jmcbride@rapc.info
Transportation Policy Committee (TPC) Meeting	To Be Announced	803 Johnston Street, Alexandria, LA 71301 And Online (Zoom)	The Transportation Policy Committee (TPC) is scheduled to consider and take formal action on the proposed amendment following the close of the required public review and comment period. Members of the public will also have an opportunity to provide comments at the meeting under the standing Public Comments agenda item.

Background

Alexandria-Pineville Metropolitan Planning Organization (APMPO) is responsible for multi-modal transportation planning and investment decision-making inside the Alexandria-Pineville metro area and anticipates, forecasts and plans for the transportation needs of today, tomorrow and the future. It does not to fund, design, build, or operate transportation systems.

The APMPO's Transportation Improvement Program (TIP) is an ongoing program that assigns funding to specific highway, road, bridge, transit, bicycle, pedestrian, and other regionally significant transportation projects. Inclusion in the TIP is federally required before any federal funds can be made available for use on a project. The current TIP covers projects that are expected to be active during the Federal Fiscal Years (FFY) 2023 through 2026.

The complete project list and additional project information can be found in the current TIP document located on the APMPO's website at, www.rapc.info/transportation.

Summary of Changes

Amendment

Regular opportunities are provided to project sponsors to request changes during the project development process. Requests for new projects or requests for significant changes to scope or cost are considered as formal Amendments and require formal approval by the APMPO Transportation Policy Committee (TPC).

This amendment corrects a prior administrative modification that changed the project phase from Feasibility to Construction. Because this change should have been processed as a formal TIP amendment, Amendment No. 11 is being processed to accurately reflect the project programming and maintain compliance with the Transportation Improvement Program amendment procedures.

Amendment (formal action required)

TIP Section	Project Name	Change
Highway	H.016252 MASONIC DRIVE: TEXAS AVE – LEE ST	Remove the Feasibility phase and associated funding; add a Construction phase of \$600,000 (STP50-200K at an 80/20 match) in FFY 2026.

Overall Highway Element

The **Masonic Drive: Texas Avenue – Lee Street Project (State Project H.016252)** requires an amendment to the Transportation Improvement Program to revise the programmed project phase.

This amendment removes the programmed **Feasibility** phase and associated funding and replaces it with a **Construction** phase funded through the **Surface Transportation Block Grant (STP50-200K)** Program.

The amendment updates the project information to accurately reflect the project's current phase of development.

The proposed amendment does not add a new project, increase the total amount of federal funding programmed in the TIP, or increase the total number of projects included in the FFY 2023–2026 Transportation Improvement Program.

HIGHWAY TIP INVESTMENT (FHWA - STP50-200K)	TIP ALLOCATION (BASELINE)	CURRENT TIP	Amendment 11 (PROPOSED)

Partner & Stakeholder Consultation

APMPO staff worked extensively with regional planning partners, including Alexandria Transit (ATRANS) and the Louisiana Department of Transportation and Development (DOTD), as well as all of our member jurisdictions. In advance of this amendment, APMPO coordinated with DOTD and alerted project sponsors to necessary project changes. APMPO worked closely with representatives of our planning partners and member jurisdictions to review particular projects. APMPO staff also engaged with the Transportation Policy Committee and Technical Advisory Committee on this amendment.

Public Comments

A 14-day public review and comment period will be conducted from June 30 through July 14, 2026.

Written comments may be submitted by email, mail, or through the online public comment form available on the RAPC website.

All comments received during the public comment period will be provided to the Transportation Policy Committee prior to its consideration of Amendment No. 11.

MTP Consistency

Federal regulations require projects in the TIP must be listed in or otherwise demonstrated as consistent with the Metropolitan Transportation Plan (MTP). After accounting for the proposed changes, the TIP is consistent with the APMPO's MTP 2045.

Staff Recommendation

Staff recommends approval of Amendment No. 11 to the FFY 2023–2026 Transportation Improvement Program and adoption of the accompanying resolution.

Appendix A | Public Participation Certification

FFY 2023-2027 Transportation Improvement Program (TIP)

Amendment No. 11

The Rapides Area Planning Commission (RAPC), serving as the Metropolitan Planning Organization (MPO) for the Alexandria-Pineville Metropolitan Planning Area, certifies that public notice and opportunity for public involvement related to the adoption of FFY 2023-2027 Transportation Improvement Program (TIP) Amendment No. 11 were conducted in accordance with the RAPC Public Participation Plan and the public participation requirements of 23 CFR 450.316.

A public notice titled "Public Comment Invited – FFY 2023-2027 TIP Amendment No. 11" was issued on June 30, 2026, initiating a public review and comment period through July 14, 2026, consistent with the RAPC Public Participation Plan.

The notice informed the public of the proposed amendment, which:

- Removes the Feasibility phase for State Project H.016252 – Masonic Drive: Texas Ave to Lee St.
- Programs \$600,000 in STP50-200K funds (80% Federal / 20% Local Match) for the Construction phase during FFY 2026.
- Updates the project programming to reflect the latest funding authorization.

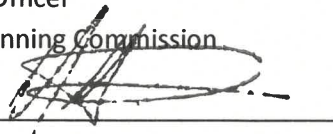

The public notice was published on the RAPC Transportation website, distributed through RAPC's Mailchimp email subscription service, posted on the RAPC MPO Facebook page, and provided to local media outlets included in the RAPC media contact list. Copies of the amendment were available upon request, and written comments were accepted by email, mail, and through RAPC's website during the public comment period.

No written public comments were received during the public review period. Accordingly, no revisions to the proposed amendment were required prior to adoption.

RAPC certifies that the public participation process satisfied federal metropolitan transportation planning requirements and provided the public with a reasonable opportunity to review and comment on the proposed amendment.

jmcbride@rapc.info

June 30, 2026

Public Review and Comment Period

The Rapides Area Planning Commission (RAPC), serving as the Metropolitan Planning Organization (MPO) for the Alexandria–Pineville Metropolitan Planning Area, invites the public to review and comment on the following proposed transportation planning document:

FFY 2023–2026 Transportation Improvement Program (TIP), Amendment No. 11

Purpose of the Amendment

The proposed amendment revises the programmed phase and funding for the **Masonic Drive: Texas Avenue – Lee Street Project (State Project H.016252)**. Specifically, **Amendment No. 11** proposes to remove the **Feasibility** phase and associated funding and add a **Construction** phase in the amount of \$600,000, funded with STP50-200K funds at an 80/20 federal/local match in **Federal Fiscal Year (FFY) 2026**.

This amendment is being processed to correct a prior administrative modification that changed the project from the Feasibility phase to the Construction phase. Because this change should have been processed as a formal Transportation Improvement Program (TIP) amendment, Amendment No. 11 is being processed to accurately reflect the project's programming.

The project includes improvements to **Masonic Drive** consisting of **pavement striping, pedestrian refuge islands, and bicycle lanes**.

This amendment does not add a new project or increase the total amount of federal funding programmed in the Transportation Improvement Program. It only revises the programmed project phase for an existing project.

In accordance with **23 CFR 450.316** and the Alexandria–Pineville Metropolitan Planning Organization's Public Participation Plan, the proposed amendment will be available for public review and comment for a minimum period of **fourteen (14) days**.

The public comment period will begin on **June 30, 2026**, and continue through **July 14, 2026**.

Review the Proposed Amendment

Media Contact:
Jae McBride, Chief Transportation Officer
jmcbride@rapc.info

The proposed amendment may be reviewed online at: www.rapc.info/transportation

Printed copies are also available upon request at:

Rapides Area Planning Commission
803 Johnston Street
Alexandria, LA 71301

or by calling (318) 487-5401 or emailing jmcbride@rapc.info.

Submit Comments

Interested persons are encouraged to submit comments using one of the following methods:

By Mail

Rapides Area Planning Commission
Attn: Jae McBride
803 Johnston Street
Alexandria, LA 71301

By Email

jmcbride@rapc.info

Online

Through the APMPO Public Comment Form available at:

www.rapc.info/transportation

All written comments must be received no later than **July 14, 2026**.

All comments received during the public comment period will be provided to the Transportation Policy Committee (TPC) for consideration prior to taking action on the proposed amendment.

Following the close of the public comment period, the proposed amendment will be presented to the Transportation Policy Committee for consideration and possible action at a publicly noticed meeting.

PUBLIC COMMENT INVITED

The Rapides Area Planning Commission (RAPC), serving as the Alexandria–Pineville Metropolitan Planning Organization (APMPO), invites the public to review and comment on the proposed FFY 2023–2026 Transportation Improvement Program (TIP) Amendment No. 11.

What is Amendment No. 11?

Amendment No. 11 proposes updates to the Masonic Drive: Texas Avenue – Lee Street Project (State Project H.016252) to reflect the project's current programming.

The proposed amendment would:

- Remove the Feasibility phase and associated funding.
- Add the Construction phase with \$600,000 in STP50-200K funding at an 80% federal / 20% local funding match in Federal Fiscal Year 2026.

This amendment does not add a new project, increase the total amount of federal funding programmed in the TIP, or change the total number of projects in the FFY 2023–2026 Transportation Improvement Program. It updates the project to accurately reflect the current phase of project development and funding.

 Public Comment Period:

June 30, 2026 – July 14, 2026

The Public Comment Notice, Amendment Summary, and supporting documents are available for review at:

FFY2023-2027 TIP Amendment No. 11

Public Notice Mailchimp Email Distribution and Campaign Analytics

Public Comment Invited

The Rapides Area Planning Commission (RAPC), serving as the Alexandria–Pineville Metropolitan Planning Organization (APMPO), invites the public to review and comment on the proposed **FFY 2023–2026 Transportation Improvement Program (TIP) Amendment No. 11**.

What is Amendment No. 11?

The proposed amendment updates the **Masonic Drive: Texas Avenue – Lee Street Project (State Project H.016252)** to reflect the project's current phase of development.

Specifically, Amendment No. 11 proposes to:

- Remove the programmed **Feasibility** phase and associated funding.
- Add a **Construction** phase in the amount of **\$600,000**, funded through the **Surface Transportation Block Grant (STP50-200K)** Program using an **80% federal / 20% local funding match** for **Federal Fiscal Year 2026**.

The proposed amendment does **not** add a new project, increase the total amount of federal funding programmed in the TIP, or increase the total number of projects included in the **FFY 2023–2026 Transportation Improvement Program**.

Public Comment Period

June 30, 2026 – July 14, 2026

The Public Comment Notice, Amendment Summary, and supporting documents are available for review on the RAPC Transportation webpage:

Appendix A | USDOT-FHWA Competitive Grant Projects Listing

Louisiana US DOT-FHWA IIJA Competitive Projects-Summary as of July 2025

Program Name	Award Year	US DOT Award Type	Delivery Phase Included	Amount Awarded	Total Project Cost	Non-State		Sponsor Name	Project #	Project Name	Project Description	Location/MPO Area
						Direct Recp.	TBD					
Reconnecting Communities Program (RCP)	FY 24	Planning	Planning	\$320,000.00	\$384,000.00	TBD		Rapides Area Planning Commission	TBD	Connecting Divided Communities in Central Louisiana Project	The Pathways to Unity: Connecting Divided Communities in Central Louisiana Project is a comprehensive planning and engineering study aimed at improving mobility in Alexandria, Louisiana, a disadvantaged community facing persistent poverty and divided by the U.S. Highway 71/MacArthur Drive corridor, Interstate Highway 49, and the abandoned Missouri Pacific Railroad. The study will explore alternatives for overcoming historical and current transportation barriers through enhanced pedestrian, bicycle, and transit connections. The Project will identify a list of prioritized capital projects, operational improvements, and provide planning-level designs and cost estimates to inform local, regional, and state project programming	Alexandria
Safe Streets and Roads for All (SS4A)	FY 23	Planning	Planning	\$1,480,000.00	\$1,850,000.00	yes		Rapides Area Planning Commission	TBD	Vulnerable Road Users Safety Improvement Plan (RAPC)	This award will be used by the Rapides Area Planning Commission (RAPC) to update its Local Road Safety Plan to meet SS4A Action Plan requirements; develop comprehensive safety action plans for 5 rural cities within the RAPC planning area; create an ADA Transition Plan for the region; and collect data related to vulnerable road user activity at targeted locations with elevated crash-risk.
